REAL NEWS FROM REAL JEWS!

FREE PROFOUND TIP #1: "YEHUDIM" AND "GOYIM" ARE THE ONLY 2 RACES ON EARTH. IF YOU DIDN'T KNOW THAT, YOU ARE A "GOY" WHO HAS BEEN DECEIVED BY YEHUDIM FOR YOUR ENTIRE LIFE AND THIS LITTLE PAPER WILL OPEN YOUR EYES LIKE NOTHING ELSE!

Gods Chosen People Say NO to Widespread satanic Corruption!

NATIONAL POLLS SHOW 94% OF AMERICANS ARE NOW ANTI-GOVERNMENT! NEVER IN HISTORY HAVE FEDERAL AND STATE POLITICIANS RANKED SO LOW AND GUESS WHAT? **IT ALL STARTS WITH CORRUPT LOCAL OFFICIALS!!!** Is lying, cheating, performing false arrests and illegal gun grabs to silence your fellow truth telling Americans what you elected and pay Sheriff Burnett, Investigator Randy Grant, Prosecutors Doug Shae, James Hersey and corrupt Chelan County judges like Lesley Allen to do? And what about "The Wenatchee

World" Paper, do you like being lied to? Is that what your readership pays for? This is the truth about 2 local patriots who are warning their fellow Americans about the real threat to this republic and our way of life that both local and national lame-stream media are intentionally covering up. Most have heard of shills Julian Assange, Bradley Manning & Edward

Snowden along w/others who've supposedly risked it all to bring us rare truths. Next come 2 real Americans David Allender and Peggy Star with the "whole enchilada"! It's all irrefutable facts from public sources such as the Library of Congress, Archive.org and even the Bible. (don't worry, no sermons) His eye opening books, movies and sites (all free) along with her grassroots alternative to Facebook and the FED (also free) have struck the right nerves in corrupt Federal, State and Local Officials. We're talking **bulls' eye with direct hits of truth!**

This couple and the real, bona fide truth movement that's sprouting has seriously flustered the powers that be and now they're making mistakes. Something very big is about to happen in little old Wenatchee WA! **The question is; Is It End Times, the New World Order or the Undoing of Both? Real Jews** think the latter is true and if so, where this all goes **Will Be the Best Story of Our Lives!** It all began with the serendipitous revealing of the extreme measures desperate, lying sellout officials go to when Americans want to compete with their unfair corporate monopolies or speak the truth about them. Peggy and David have proven if America were a nation under God w/a free market, free press or an actual democracy, none of this could be happening. That little crack in the veil is turning into a massive fracture that you've been longing to see even if you didn't know it! Read on to learn how badly corrupt officials failed at silencing a local man who's stumbled onto the most important truths and LIES of our lives. *This is the only place you'll hear it!* The following deceptive articles appeared in the *Woods Family Rag*, "The Wenatchee World" reporting on "The Attempted Silencing of David Allender" with a truthful rebuttal **in bold italics**. See if you can stomach the corruption;

Part 1: Siege Ends With Arrest Of Chelan Man On Assault Charges Lies, Spins & Slandorous Libel by Dee Riggs & Corrupt Officials! A Chelan man suspected of having anti-government ties . . . *Here we go! David has zero "anti-government ties", (unless they're talking about 94% of Americans who disapprove of our govt!)* was arrested Wednesday after a five and a half-hour standoff at his home. *There was no "standoff", just 2 innocent Americans who were terrorized by your local govt. on false pretenses. Had police not showed up with 3 massive military assault vehicles, 65 men in camo fatigues armed with combat weapons, shotguns, pistols and sniper rifles and without deliberately destroying 2 pickups plus 2 garage doors for absolutely no reason within minutes of arriving, David and Peggy*

wouldn't have thought they were there to kill them for speaking out against your corrupt and treasonous occultist leaders! This was a huge

setup that failed and now they don't know what to do with David or Peggy. These two, especially David, just won't back down even when they had him locked up. That's why Real Jews support him and you'll want to too! Tear Gas and CS, a highly noxious gas that affects breathing were used to bring

David Allender, 48, out of his home where he was arrested on a Chelan County Court warrant charging three counts of second-degree assault. **Charges are patently false, there was never any assault or other crime committed by David or Peggy! The whole thing is a charade.** A man was reported for **shooting at 3 trespassers** who were on Allenders' property April 30th. One of them had called ahead and a woman told them it was OK to see some for sale property. **The truth is; no appointment or invitation was made, David had no property for sale & directions given were to a completely different piece of land on another road about a 1/2 mile away from his place. And the man reported doesn't fit Allenders' description.** (white hair vs. black, tall vs. short, fat vs. not). Also, there were **NO damages, NO injuries and NO harm done because NO SHOTS WERE FIRED AT ANYONE!** **We are all being lied to and played as fools by professional cons. And check this out, in WA, the definition of Assault is "intentionally creating apprehension and fear" simply put; SCARING SOMEONE! And for that, 10 years in Prison per count! It's similar everywhere.** A non-combative 120lb, 47-year-old woman, was subdued and held by police after surrendering. She wasn't arrested. **Yes, Peggy wasn't even falsely accused yet they still did over \$50K of damage to her home and belongings, illegally confiscated all of her registered guns, wrongfully and torturously detained her in over tightened handcuffs for FOUR HOURS while intimidating and threatening her repeatedly with bogus gistapo style crap!** Involved in the standoff were members of the Chelan County Regional SWAT Team, State Patrol, Wenatchee Police Department, Douglas County Sheriff's Office, Chelan Fire Department, US Marshal's Office, the Joint Terrorism Task Force, and Triage Medics. **65 people total on site with unknown 100s more behind the scenes thereby making this Chelan County's most elaborate and expensive police operation in history with an estimated cost to taxpayers of \$1 Million Dollars and counting! (This equates to nearly \$50 in taxes per member of the voting public !!!)** All that to serve an arrest warrant upon David who has no record, no prior run-ins and had committed no crime! \$5 worth of gas and a deputy is all it would have taken! (Or a letter, phone call or notice of any kind saying he was in trouble) **There is zero justification for this bullshit. 1000s of warrants are routinely served upon actual criminals with records who pose real threats by just 1 or 2 cops! Your local officials just hosed David, Peggy AND YOU. Remember that the next time you read a story about your county officials taking credit for saving or spending \$10 or \$20k here or there! \$1 MILLION DOLLARS WAS TOTALLY WASTED. The paper didn't say a word about that or anything about the fact that David & Peggy are their enemies and your friends. These are your fellow Americans who care about this country as well as you and yours and continue to prove it.**

The arrest was made about 1 p.m. about five miles north of Chelan. The people who visited the site on April 22 were driving onto the wrong property when someone was shooting a rifle and bullets hit the ground in front of their car. Deputies “attempted to call Allender, but, while speaking to him, realized he was making anti-government claims and anti-semitic comments” and was “refusing to come down to the locked gate to speak to the deputy”. ***Well, David obviously has no problem with REAL JEWS and they have none with him! But he is ANTI-SATANIC and told the cop that our government is owned by the same bunch of satanic British scum our forefathers fought in 1776 and it's the absolute truth! He also told them he'd written a couple books to expose them and their 300 Trillion Dollar Central Banking Fraud and that they were doing all kinds of things to intimidate David to make him shut up. Again, all true. As to not “coming to the gate”, it's a mile and ½ away. Musgrove, the corrupt cop chose to use the only road with a gate instead of the one the trespassers gave him directions for that was wide open! He also willfully neglected to do his job of investigating the allegations as all police are paid and required to do. And even though David was told he wasn't in trouble, he freely volunteered to come to the police station the following day to put in his statement TWICE. The cop refused TWICE saying it had to be right there and then or to “forget it”. The forget it option was taken because in fact police left no other option. The word “entrapment” applies here quite succinctly. After that the entire non-event was written off and forgotten for 5 full weeks without so much as another word from anyone. Here's more of the "official" story;***

Deputies investigated Allender for a few weeks and say “he had ties/ communications to other anti-government sources and, on a website, had mentioned Ruby Ridge. That was the location of an illegal 1992 siege of Randy Weaver's residence in northern Idaho by U.S. Marshals and FBI. It left 3 people dead! ***Note the presence of US Marshals in that attack too. And FYI; the only ties David had were to government cointelpro operators which are one of his specialties. He exposes Masonic CIA shills and trolls in forums, chats, Facebook and etc. as a service to his countrymen and women and is one of the best around at sniffing out corrupt filth! (yes really) As to Ruby Ridge, bullsh*t! There's no mention of it on any of their sites but it's worth learning about!*** Wisemore said; that put everyone on edge and we wanted to make sure it was a safe operation, not only for us but for him as well. ***Boy, that Wisemore sure is a conscientious fella!*** About 7 a.m. today, authorities converged outside of Allender's property and found a truck was parked across the road in an attempt to block access to the house. Authorities moved the truck and set up teams at various locations around the house. They attempted to contact Allender by using loud speakers and sirens. ***So, parking on your driveway is an anti-arrest strategy for people who don't know they're wanted! And by the way, “moving” it actually meant RAMMING IT it with a massive assault vehicle and totaling the rig! David was working on his 2nd grassroots film which fully exposes the trillionaire masonic filth behind all of your and our country's problems.*** Phone contact was made with Allender after authorities gained access to the residence through garage doors. ***Oops! More lies! The garage doors were needlessly destroyed within 15 minutes of their arrival/attack and no access was***

gained therefrom. Phone contact didn't occur for at least an hour and a half! And had they not rammed the house shaking it and them to the core, they would not have been scared for their lives by the very people they thought we paid and trusted to protect us and our freedoms! Davids' books, websites and movies have no kind words for the Masons and satanists who've owned the US Federal Reserve since 1913! For the next four hours, negotiators spoke with Allender over the phone but he refused to come out, and ended the call. LIES! The Sheriff admitted to their overzealous attack and lack of investigation into the bogus charges and ordered a stand down. David was then talking to a deputy about how to safely end things when corrupt commanders began bombing the house and room where David was. That's why the call ended. Due to the nature of their work which is whistleblowing on the oldest, richest and most powerful group of people on the planet, David & Peggy had every right to be afraid of our corrupt government. For instance, Did you know that FEMA has over 600 concentration camps across the US readied for millions of Real Jews and Gentiles of all races SUCH AS YOURS? This is what happened in Nazi Germany. Over 50 MILLION Christians were murdered with 1.5 million Real Jews but zero fake ones! And just wait until you learn why you haven't ever heard of these things before! But 1st back to the article; “Tactical teams began deploying gas into the house, a short time later, the subject and a female exited the home and Allender was taken into custody,” the press release stated. No one was injured during the arrest. After 19 toxic Tear Gas and CS shells, (1- 3 IS NORMAL) the toxic gas became unbearable for Peggy and her

dog, whom David had protected the best he could with a wet towel under the door to a laundry room without windows. He figured to trust they wouldn't be shot if everything ended slowly, and outside the home in full view of all the lower ranking police rather than in the house.

During 7 attempts to surrender, with top-of-his-lung shouts asking where he could exit, commanders ordered 10 more bombs sent through the windows where David's voice was heard coming from. Those corrupt commanders were trying to disable David's ability to talk, thereby allowing for continued escalation of force which happens frequently in these events ending in deaths of “suspects”. But no such luck, something greater was at work here. Against reason, David didn't so much as sneeze, cough or tear up! Wisemore said there was no previous contact with police and Allender. Finally, some truth! Oops, but wait, two days later this was released...

Part 2: Chelan Siege Suspect Runs Online Hate Network Lies, Spins & Slandorous Libel by Jefferson Robbins & Corrupt Officials! 5.31.13 WENATCHEE The Chelan man arrested Wednesday is the founder of a network of anti-semitic websites that promise to build a new societal structure and currency system for “just 5,000 special people.” ***David & Peggy are “Anti-Satanic” and her network is free for EVERYONE not just “5000 people”. It's also set up so it will never be owned by the satanic scum of our world who David has proven they are the most murderous haters, racists & bigots on earth. Jesus called them Hypocrites and they are! So, don't listen to the newspaper shill, Support Us and remember what being an American means! It's about Truth, Freedom, JUSTICE and Caring for One & Other.*** David Allender, was ordered jailed on a \$500,000.00 bond in a Chelan County Superior Court hearing Thursday although deputy prosecutor Ed Stevensen asked for \$10 million, citing what he said was Allender's armed refusal to surrender after he was charged with firing a rifle at a family in a passing car. ***\$500K is the highest bail ever for assault 2 in Chelan County. ADD no damages, no injuries, no threats, no evidence, JUST ACCUSATIONS! Also note “armed refusal to surrender” due to their having guns like every other house in this rural area, that makes you an “armed” combatant! PG2***

Once again we see the words “firing at” and now we see “passing car” as if the trespassers were just merrily driving down a public road instead of blatantly intruding upon a house in a remote private property on an extremely rough and skinny road finished for motorcycles, quads and snow mobiles. Oh, and did we mention the 6 No Trespassing signs (yes six!) or 3 huge turnarounds in the 1st half mile or the 600’ decent in elevation, rocks, downed trees, ruts and steep banks that make driving faster than 5 mph pretty much impossible! Does that sound like a “passing car”? 99% of people would never drive down this road much less trespass on it! In fact, they were the 1st people other than David, his contractors and one other who ever drove a vehicle on it!

Allender said his money to make bail and his assets (over 1/2 million dollars) were tied up in developing OneBigJob.com, and its related sites, which oppose a one-world government shepherded by

satanists. “They’re responsible for nearly every single unnatural horror you’ve ever witnessed or heard of, pollution, war, hate, greed and everything evil on earth,” reads one of several manifestos contained on the network. “It’s as simple as that, do away with them and we’ve got life, real life!” The quote is from an excellent 2 page summary of David’s books, not any “manifesto” which was used to trick your brain into thinking about crazy anti-govt shadow

figures instead of a fellow patriot’s irrefutably truthful, anti-satanic books! Allender, bought about 364 acres along Joe Creek Road outside Chelan in 2005. He subdivided the land into 16 lots and built a home for himself on Moonbeam Road, offering nearby lots for sale. A number of them were sold to private buyers in 2011. David and Peggy did build their home with their own hands, blood, sweat and even a couple tears as of recent after seeing their life’s work and investment needlessly and intentionally destroyed by corrupt satanic officials who don’t like the truths they’re sharing! This is a travesty worth taking notice of. Next

comes your home and life for not submitting to the New World Order David’s being persecuted for warning everyone about! They said they drove out to view one of the lots for sale on April 30 when Allender allegedly fired several warning shots towards his

target range near where they were at, forcing them to reverse and flee. The victims said they’d been invited to visit the land by Allender’s female partner in the business, who shares his address. **Oops! Never mind that they weren’t “invited” at all, much less to trespass upon land a 1/2 mile from the for sale property on a completely different road with a huge for sale sign that they blew off! Also don’t say anything about the fact that zero warning shots were fired or that David was target practicing on his remote 21 acre parcel with a guest when Casey Boyd, a criminal himself decided to teach his 8 year old son and wife Sarah how to wrongfully trespass upon another’s land! And about that “fleeing”, it took the pouting trespasser at least 3 minutes just to start leaving at a breakneck speed of 1 to 2 mph while flipping the finger in defiance and resentment for having just got his ass chewed for trespassing! David says calling the cops and pressing charges for trespassing is petty and chickenshit, so the 50+ trespassers he’s had on his property since 05’ all got chewed out and told never to come back. That’s it. No cops required.**

PG3

Also worthy of note is the fact that Boyd was the first ever out of 500+ land shoppers to ever have trespassed! This whole thing stinks of fraud and entrapment and if you learn more you’ll wholeheartedly agree. Chelan County sheriff’s deputies said Allender didn’t cooperate with telephone attempts to contact him about the incident, using anti-Semitic

slurs and refusing to meet with investigators. **More outright lies. David fully cooperated, didn’t slur anyone nor refuse to “meet w/investigators” because the police never showed up or tried to do any type of investigation! That’s the truth, they didn’t investigate anything! Not the road, the**

No Trespassing signs, David’s .22 target range, witnesses or anything! Notta-zip! Detective Randy Grant told Peggy they didn’t investigate because “It’s All Irrelevant” in this case! At his hearing Thursday, Allender denied the charges, telling Judge Alicia Nakata he was target shooting when the vehicle strayed onto his land and he warned the driver away. Stevensen said deputies found one rifle placed in each window, one a .22-caliber and one a .334-caliber hunting rifle with scope, with ammo at hand. “It looked like he was setting up for a siege,” Stevensen said. A shotgun and a handgun were also in the house, he said. **OMG!!! A .22, a hunting rifle, shotgun, revolver and ammo!!! This couple David and Peggy are lunatics! Either that or they’re country folk! And no rifles were by any window much less “every window” which there are over 25 of! Spin, spin, spin! The truth of course is much more bland. The guns they illegally seized are all Peggy’s and were in her part of the house which she rents from David on barter, she doesn’t have any need for a gun case because there’s no kids around. The house is a typical country home with a few guns, so what. There were no secret passages assault rifles, ammo clips, bullet proof vests, night binoculars, gas masks, camo fatigues, grenades, explosives, rpgs, missile launchers, Bat Mobiles, or any other kind of “siege” ready paraphernalia. That’s all just mounds & mounds of BS!**

Peggys’ Fishy Stuff List

- The cop originally wrote a ticket for 2 misdemeanors but conniving prosecutors Doug Shae and James Hershey heard David was involved so dropped those charges to trump them up to felonies. Then, what were easily contestable charges with minimums of **NO jail, NO fine & NO arrest required**, turned into a bogus travesty calling for **up to \$60,000 in fines and a MANDATORY 16 YRS IN PRISON for scaring a satanist!** (Does that sound funny? It won’t much longer!)
- The Govt says Boyd was scared by David yelling at him for trespassing on his remote, very well posted, private property while he and a guest were plunking around w/.22s about 600’ away. Boyd claims he didn’t see the 6 No Trespassing signs nor 4 turnarounds and that he was “shot at” but there’s **NO Bullets, NO Witnesses, NO Injuries, NO Damages, NO Gun or Proof Whatsoever**. Just accusations from a liar used by the Govt to frame David. **They didn’t even do any investigation AT ALL!**
- The bogus Million Dollar Swat operation caused over \$50k in damages and was the most ridiculously elaborate in Chelan County history!
- The description for the suspect was a large, heavyset, white male, over 6’ tall, older w/white hair & white shirt. David’s 5’ 8”, 180lbs w/Brown Hair & was wearing a Black Shirt! **They Never Even Saw David and the Cops Conveniently Neglected to Investigate That Fact Too!**
- **Bottom Line:** Your corrupt elected public officials and local media are using every dirty trick they can to stop *Real Jews & patriotic Gentiles* like David, Peggy and YOU from spreading the truth about them. But who are they exactly, have you guessed yet? No? Let’s continue with some facts;

Iron fisted rule by corrupt govt. thugs is completely out of hand with bogus "3 strikes" laws being used to jail non-violent Gentiles for life. Now, corrupt sheriff departments across the US are acquiring so much free, hard core military, combat and assault weaponry from the federal govt, it's impossible to tell police from soldiers. The equipment is often hidden to divert attention by local sheriffs like YOURS! This was the case in Chelan County where David & Peggy fell victim to an extremely dangerous and unnecessary \$1.1m SWAT raid. The evidence proves they were there to kill D&P for speaking out against this war being waged against Real Jews and Gentiles by the same group of imposters who own the FED, all of your media, most of the internet and everything else on earth. ***But make no mistake, this isn't about rich vs. poor, it's satanists vs. non.*** Also if you wondered why D&P didn't come out of their house, ask yourself; If you did the work they have (*wait until you see it!*) and woke up to a huge, loud brigade of 65 armed men dressed in camo using military equipment to ram your vehicles and destroy your home, would you trust them not to kill you? No? Well, few do & commanders who do this for a living know that! That's why they didn't send David a ticket or notify him he was being charged with any crime.

National Spending Priorities

*How do private prison companies keep 80% to 100% of their beds filled? They make sure that \$95.5 million is spent on "police protection" ie; wrongful arrests and rigged courts to unfairly prosecute Gentiles! **PG4***

SWAT raids used to be rare in the US but have become the norm even when zero justification exists. **Real Jews & Gentiles** have no say nor defense because we're living under an absolutely evil and tyrannical group of imposters behind the

U.N. who also control Govts of Russia, China, India and etc. via a central banking cabal that owns your FED. Over spending on police protection for them ensures plenty of Gentiles will get **into** the incarceration system or be killed in the process. All that while they keep underfunding the judicial and legal system to ensure those who are entrapped have little to no chance of getting out. It's totally by design, there are no mistakes in our politics nor finances.

Intentionally overburdened, underfunded, inefficient & inadequate public defense systems lead to more incarcerations, unconstitutional pretrial detentions, increased pressure to plead guilty, wrongful convictions, excessive sentences and unfair barriers to successful community re-entry. This in turn, leads to higher costs for innocent individuals, families, communities and taxpayers. The bogus war on pot, "three strikes" laws and the lock-'em-up system designed by corrupt politicians have led to indigent clients flooding the courts which are overburdened across the country. Public defenders are intentionally buried beneath crushing caseloads, working in underfunded offices and most private attorneys are corrupt. (all true) So, the only option is to hire private investigators, experts & paralegals to mount a defense while govt. prosecutors have unlimited state resources to hire experts and entire police departments as investigators and jaded witnesses. **The result is 95% of all cases at the state and federal levels are coerced into guilty pleas called "plea bargains".** The ploy to the deals begin when prosecutors threaten *defendants* with additional charges and greater penalties if they don't cooperate while offering what seems to be leniency if they do. But there is no leniency and most victims of this corrupt system weren't even arrested for violent crimes. The fact is nearly all of our laws are designed for the very purpose of resulting in plea bargains w/jail time. **In 1972, 300, 000 Americans were in jail but now that number is 2.2m, that's a 700% INCREASE!**

Fair Justice?

	# Offices	#Employees	\$Budget
Public Defender	957	15,000	\$2.3 billion
Prosecution	2330	78,000	\$5.8 billion

95%
of all cases resulting in felony convictions never reach a jury. They are settled through plea bargaining in which a defendant agrees to plead guilty in exchange for a reduced sentence.

Here's a sobering quote from famous jewish writer Ayn Rand;

“ There's no way to rule innocent men. The only power government has is the power to crack down on criminals. Well, when there aren't enough criminals, one makes them. One declares so many things to be a crime that it becomes impossible for men to live without breaking laws. – Ayn Rand

That's what we have now! And plea bargains are presented to us as an *unfortunate product of a broken system*. Corrupt attorneys advise clients to take pleas because the only other option is an ineffective defense on the basis that if the defender can't make the time to investigate and prepare a proper case, innocent defendants will be hammered at trial. So, plea bargaining becomes the only option, and there is nothing that innocent or overcharged defendants can do about it. The next question for our scum lords is; what should they do with all these incarcerated Gentiles and how can they make more money off of jailing us? The answer is;

Prison Slave Labor

Prison Industrial Complex (PIC) makes money by contracting prison labor to private companies.

NO union protection, vacations, pensions, benefits, health care costs, overtime pay, safety protection or Social Security withholding.

Prisoners who refuse to work are moved to disciplinary housing and lose "good time" credit, which in turn increases their "term of employment".

Systematic abuse, prolonged isolation, sensory deprivation and lack of medical care make US prison conditions among the worst in the world.

"Work Camps" offering grueling conditions at 12 cents an hour are presented as a "perks" for good behavior!

The real agenda behind our "justice system" is to get as many Gentiles incarcerated as possible so corps can make more \$. Welcome to the New America, it's China! Real Jews & Gentiles are being totally abused by corrupt corporate executives using lobbying and political contributions to corrupt leaders to pass laws that intentionally increase arrests and prison time. And the longer they can hold Americans in prison, the fatter the bottom lines to stockholders and bonuses to top satanic management become.

Just A Few Corporations Exploiting Prison Labor

Prisons are Profitable. Please Help Us Keep Them Full

Victims of crimes get nothing! While corrupt officials make billions using bogus laws to turn **Real Jews & Gentiles** into criminals. It's also one way they're able to beat down Gentile youths who'd otherwise rebel eventually (*ie; now*). And it's not just youths! Most Americans are fully aware the Govt wants our guns but don't know why. Well, here it is, *when satanists outlaw guns, only satanists will own guns!* It's not the govt that doesn't want **Real Jews and Gentiles** armed, it's the corrupt, murderous \$\$ living among us in our communities who "own it"! **PG-5**

They know we're awakening to truths such as the massive amount of money they're billing to American tax payers at a rate of \$31,286 per inmate, per year.

Remember the Federal Reserve is a FOR PROFIT, PRIVATELY OWNED BANK owned by 14 corrupt, satanic banking families and they belong to an international mafia that's making 300 BILLION DOLLARS PER YEAR just in interest on loans to America, all of which are orchestrated by a corrupt congress. FYI; The owners of the FED don't define "interest" as profit but it clearly is 100% PURE PROFIT like no other, especially when they print all of the currency out of thin air for free! Also remember, the system is working EXACTLY as it was designed to by the corrupt group of officials at the top. It is simply undeniable to conclude the U.S. Department of Justice has become a tool being used against Gentile Americans by the banking elite.

America's been infiltrated by real life, satanic monsters who have always sought domination over you, yours and America and this is part of how they're doing it. And they are responsible for far more than rigging our courts. Nearly every horror on earth that you can imagine traces back to this group of satanic psychopaths, the evidence is abundant and absolutely irrefutable. Have you guessed who they are yet? Hint; they *starred* in the bible! Which by the way, out of the 10 commandments, only 3 are used in our bogus legal system, those being ***murder, theft and bearing false witness***. So, according to God himself the only people that should ever be arrested are murderers, thieves and perjurers. (again, no sermons but our entire legal system is supposed to be based upon Gods' simple/fair laws) That's one root problem we're here to fix. Another is the ones who are doing the real murdering, thieving and perjury every single day are not only getting off scot free without even being charged for their crimes, they're also living lives of decadence and excess while "serving" as our leaders. The undeniable fact is *We the People* have never been oppressed as badly as we are right now in America. And it's all being done by evil, corrupt figures who say they're Christians, Muslims, Atheists and **Jews** but they're not. **And that is one of many, many important truths hidden from you, by them, for your entire life.** That's why few know of their identities. Their **for profit prisons** are the based on the same BS as Americas' multi-TRILLION dollar **for profit military** & multi-TRILLION dollar **for profit medical system**. These systems are totally corrupt and create nothing but misery, despair and loss in every manner conceivable to the common man, woman and child while allowing a tiny subset of satanic trash to profit wildly from our "misfortune". This is not how any civilized nation or democracy would run if it were up to its' good, Gentile peoples who make up 99% of the worlds' population. You know it, everyone knows it, there's no sense in debating that we do not live in a democracy and haven't for many decades. It's time to change all of this, it's time to cure the insane calamity called America, wouldn't you agree? This is the message real jews and patriotic Americans like David and Peggy are espousing. That's why corrupt officials stopped at no expense in their attempt to frame and murder him exactly as they've done with many other writers and political activists.

The thing to realize is that anyone can safely speak of these truths to their associates, friends and family members. It doesn't even matter if you do so openly on the phone or the internet, but when Real Jews or Gentiles such as David and Peggy expose these criminal elites to the masses by producing books, movies, websites and publications like the one in front of you now, we're targeted. The good news is that's ending now, we're entering a new era of life on earth and this subject matter, "the truth" is being used as fuel to create a revolution that will end in real prosperity & peace for all. Truth, Freedom & Justice will prevail! **It starts here & now!** Peggy found an organization out of Helena MT called FIJA.org while David was jailed (FIJA= Fully Informed Jury Association). Here's an intro;

The primary function of the independent juror is not, as many think, to dispense punishment upon fellow citizens accused by the government of breaking various laws, but rather to protect fellow citizens from tyrannical abuses of power by corrupt government.

The constitution guarantees you the right to trial by jury. This means that the government must bring its case before a jury of The People if government wants to deprive any person of Life, Liberty or Property. Jurors can simply say no to government tyranny by refusing to convict but very few know it and corrupt judges/attorneys will always try to hide these facts.

And of equal if not more importance, jurors can also convict corrupt leaders, create new laws and dispense with bad ones! WE ARE THE LAW and the only thing holding us back from changing the world is **Division, Fear and Ignorance of these truths!** Below is another graphic David made for everyone to use on Facebook and elsewhere online. It hit's the nail on the head with the only viable plan in existence for defeating the real life evil oppressors who've taken over your country and world. **PG-6**

What You Need to Know about "Trial by Jury";

Jury Duty is a Privilege Not Hassle!!!

Serving as jurors is the only way Gentiles and Real Jews can get justice in today's corrupt court system. It's because Jurors (ie; YOU) have the right to determine some very important things! Here's 4 beautifully empowering points YOU as a juror decide;

- 1. Is This a Good Law That Benefits Society?**
- 2. If So, is the Law Being Justly Applied?**
- 3. Was Our Bill of Rights & Constitution Honored?**
- 4. Would the Punishment Fit the Crime?**

"I consider trial by jury as the only anchor ever yet imagined by man, by which a government can be held to the principles of its constitution"

- President Thomas Jefferson

OneBigJob.com

1: The Jury's primary purpose is to prevent Govt. oppression.

TRUE: The jury was created by Federal & State Constitutions to be a guardian of individual's rights. *A right to trial by jury is granted to criminal defendants to prevent oppression by the Government and to guard against the exercise of arbitrary power.* Byron White, U.S. Supreme Court

2: The jury is an independent arm of government. TRUE:

The Constitution divided the government into three branches: the Executive, Legislative, and Judicial in order to prevent an unhealthy concentration of government's powers. And it created the Jury ; the **4th Branch of Government** – in order to hold the first three in check. To fulfill its purpose, the Jury **must** be independent of the other branches of government. Thomas Jefferson letter to Thomas Paine, 1789

3: The defendant is innocent of any criminal charge until proven guilty by the government. TRUE: Under our system of gov't, it is a sacred principle of criminal law that the government has the burden of proving every element of a crime beyond a reasonable doubt and that the defendant has no burden to prove his innocence. The government makes the criminal accusation and must prove it to juror's satisfaction.

4: The judge can require the jury to find the defendant guilty.

FALSE: The judge has no authority at all to compel the jury to find a defendant guilty. The jury is absolutely independent in this function. If the jury feels the law is unjust, we recognize the undisputed power of the jury to acquit, even if its verdict is contrary to the law as given by a judge, and contrary to the evidence...If the jury feels that the law under which the defendant is accused does not apply, or that exigent circumstances justified the actions of the accused, or for any reason which appeals to their logic or passion, the jury has the power to acquit, and the courts must abide by that decision. 4th Circuit of Appeals US v. Moylan 1969.

5: The jury can find the defendant not guilty, even if the defendant broke the law. TRUE: *The jury can find the defendant not guilty, regardless of what the law says, and regardless of the facts. The jury has the power to find the defendant not guilty for any reason which appeals to them. This is usually called "jury nullification" of the law. In short, the jury has a veto power over bad law and bad judges and to bring a verdict in the teeth of both law and fact.* Justice Oliver Wendell Holmes Horning v. Dist. of Columbia 1920 ***In criminal cases, a jury is entitled to acquit defendants because of no sympathy for the government position.***

6: If the jury finds a defendant not guilty when he is clearly guilty, the judge can punish the jurors. FALSE: *No one has any authority to punish a juror because of his vote. Period. This issue was resolved in 1670 in London in the case of Edward Bushell - one of the jurors in William Penn's trial. Juries are not bound by what seems inescapable logic to judges.* Justice Robert H. Jackson

7: The judge decides all questions of law. FALSE: *The judge has the authority to declare to the jury what he believes the law to be. But the jury has the authority to ignore that advice, to determine for them what the law says, and to judge for themselves the justice of the law. It is universally conceded that an acquittal, rendered against the instructions of the judge, is final, and cannot be set aside; and consequently that the jury have the legal power to decide for themselves the law involved in the general issue of guilty or not.* Justice Gray, U.S. Supreme Court, 1894

8: The jury is not required to reach a verdict. TRUE: A verdict is the guilty or not guilty decision of a jury. All jurors must agree to the verdict. Otherwise, they must report a "hung jury." That means that the jury was unable to agree upon a verdict. Each juror is free to vote in accordance with his or her conscience and cannot be forced to vote for conviction or acquittal just to reach a verdict. In the event of a hung jury, the government may bring the defendant to trial again with a new jury.

9: The jurors can vote according to their consciences. TRUE: *Jurors have not only the right, but the obligation to vote according to conscience. If jurors believe that the law itself is unjust, for any reason, they have the power to do justice by simply voting not guilty. Every juror has a right to leave court with a clear conscience. It is the conscience of the jury that pronounces guilt or not guilty.* Mathew Hale, 1665

10: The jury must take the law as the Court gives it, whether they believe the law is right or wrong. FALSE: *The court has no authority to dictate the law to the jury but many courts will force jurors to swear an oath to accept the law as the Court dictates. Such an oath violates the Constitution. But anyone refusing to take the oath will be excluded from the jury, thereby depriving the defendant of an independent jury. Such an oath is taken under duress and nothing agreed to or sworn to under duress is binding. It is ironic that the same judge who demands that jurors take such an oath is violating his own oath to uphold the Constitution. The jury has a right to judge both the law as well as the fact in controversy. The right to trial by jury shall remain inviolate. In criminal cases, the defendant shall have a public and speedy trial by an impartial jury; and the jury shall be the judges of the law and the facts.* Chief Justice John Jay and the Georgia Constitution

11: The jury can find the defendant not guilty, because they believe the law is unjust. TRUE: To be faithful to their duty, the jurors must vote not guilty, if they think the law is unjust. It is not only the juror's right, but his duty, to find the verdict according to his own best understanding, judgment, and conscience, though in direct opposition to the court. John Adams (1771)

12: Ignorance of the law is no excuse. FALSE: That may have made sense centuries ago when the law confined itself to real crimes with real victims. Everyone knew that murder, rape, robbery, arson, **assault**, and other such crimes were crimes. Today, with government passing thousands of new laws each year, **no one** can be expected to understand all his or her obligations under the law. If the jury does not believe the defendant knew of their obligations, it has the power and dare we say "duty", to find the defendant not guilty. **Ignorance of the law IS AN EXCUSE IF JURORS SAY IT IS!** This preposterous doctrine, that "ignorance of the law excuses no one," is asserted by courts because it is indispensable to the maintenance of power by a corrupt government.

Anyone who can be asked to show up for all of Davids hearings in his upcoming lawsuit against Chelan County and one against an international banking mafia that you're going to enjoy learning all about. The first lawsuit he's filing "pro se" is for \$5m, all proceeds going to Unidigi. The 2nd will be a **\$500 TRILLION, class action suit, the largest ever on earth, to be split amongst all Gentiles** who were robbed of it to begin with. Your share of this suit will be **\$700,000.00 minimum up to \$100 Million Dollars!** (depending upon how many people participate in the lawsuit) \$500 Trillion Dollars just so happens to be the amount one comes to after calculating the \$650k bonds on the heads of every Goyim (you) on earth which number somewhere in the 6.5 billion range. Oops, we forgot to tell you, you're a "Bond Servant" to the \$\$ EL-ite. (EL is their G-d, you've also heard of him as satan, lucifer, baal, beelzebub and etc.)

There is much for all of us to learn as we're going through the motions of freeing ourselves and retaking our rightful positions as stewards of Earth! Sounds crazy right? Of course it does, you weren't supposed to be learning any of this. Hence, this is the biggest story of your life **guaranteed**. For the most truthful printed news you've had in years (likely ever) see all our work at GoyimGazette.com. As you read our blog and newsletters you'll know **You Have Found the Truth!** You're going to learn the priceless secrets that David stumbled upon and how to safely, quickly and easily defeat the satanic psychopaths who are currently running *and ruining* your life and country! This is your job! Well learned Christians will recall what Jesus told us about this group who call themselves "Yehudim" who are actually \$\$ EL-ite. (Read Rev 2:9 & 3:9) Left is David Allender and his helper taking a

break from being attacked by govt \$\$ trolls & shills online. This had been going on for a couple years, the \$\$ had targeted him for sharing his books and movies and telling others about Peggys' anti-FED & anti-Facebook network "Unidigi". That pic was taken the day before the desperate and ridiculous, **failed SWAT team attack** illegally orchestrated from start to finish upon 2 of our fellow Americans whose only "crime" was speaking the truth about the **real criminals** in your community and republic! **PG-7**
