THE Sure Cure For Delusion and Insanity; **DAVE'S BIG TRUTH!**

ENJOY THE ONLINE VERSION OF THIS GROUNDBREAKING ARTICLE WITH KILLER PUBLIC COMMENTARY BELOW IT! **FYI; The article itself has many additions and is well worth the re-read!**

The subject matter in the following pages exposes the largest lie ever told. We will be exploring the most fundamental fact about our lives that any non-satanic/masonic human being living today ever has, or ever will conceive. This will not be easy to accept but it is the 100% bona fide truth and once you've digested it, your outlook on life and life itself will begin changing for the better, drastically for the better. The reason's simple, it is because being deceived about basic understandings in our lives such as *the size of Earth, Resources, War, Overpopulation, Global Warming and "others"* results in de facto delusion and clinical, textbook insanity. That is what we aim to begin curing in the next 4 short pages. *****THIS IS THE RED PILL*****

Unlike the move “The Matrix” that screenshot is from, this is 100% REAL. Nothing on this page can be debunked by anyone, period. And the simple reason for that fact is that everything we’re saying is the Truth! This particular lie is so huge and blatant that we challenge anyone to come up with one single fact that proves the earth is a tiny 24,864 mile in circumference ball spinning at 666 miles per hour through a giant vacuum of a galaxy like the jews who own all the media, the jews at NASA and the jews at the vatican have told us forever. COME UP WITH JUST ONE FACT THAT PROVES EARTH IS WHAT THEY SAY IT IS. **JUST ONE VERITABLE FACT!!!** You can’t, no one can because it’s all lies. On the other hand what everyone with an IQ of say 60 or more can do, is utterly disprove the tiny earth lie with literally dozens and dozens of simple, obvious and impossible to refute FACTS.

Many will want to cling to the idea that being lied to by the current leadership of our world hasn’t affected them, but that’s a big, fat lie in and of itself, the worst kind. Denial of any reality, especially big ones will never get you anywhere; it only worsens the sickness which will insidiously manifest itself in destructive emotions such as depression, confusion, fear, anxiety and rage over any number of things having nothing to do with the deception itself. Everyone has experienced this to some degree because our entire society is sick, even the deceivers have been deceived. After all, what sane, non-deceived group of leaders would ever rule by the masonic motto of MATERIALISM, IMPOSITION & DESTRUCTION? We’ll come back to that very important subject, but for now, just think about what it took to make some human beings turn against the rest of humanity. For instance, take “G-ds’ chosen people” who actually believe they’re better than all the rest of mankind, that’s de facto racism and bigotry isn’t it?! And it’s the worst, most depraved and murderous example in all of human history straight out of the Holy Bible & Holy Quran!!!

But in reality, it’s the jews who are deceived into being cruel, greedy, selfish, bigoted, infantile liars that can only win by cheating and injuring those who are

stronger or smarter than them. Their lies regarding scientific and earthy natures inherently reduce one's IQ and often lead to sickness/disease of the body via "psychosomatic illness" as *coincidentally* coined in ancient Rome, home to the jewish vatican. A good example of this is; if you thought all the air, water, soils and food around you were toxic, you could experience a real life placebo effect which will weaken and sicken you. Hence, oppressive regimes across history have used deception as a weapon to weaken our minds and yes, our bodies, thereby making We The People easier to manage. Of course there's also the bonus of \$7 TRILLION in profits if you happen to own the medical industrial complex and big pharma with its \$300 Billion per yr in psychoactive meds, the most profitable of **ALL** US businesses! We're going to begin taking a bite out of their profits while regaining the collective sanity of We The People! ("*sanity*" comes from latin "*sanus*" meaning **healthy**) It's Time . . . to heal!

Since this is about your health, I aim to provide the largest dose of truth imaginable herein. There's been so much satanic/jewish propaganda on this one it took over a month just for me to accept its' possible existence enough to delve into it, and then another month to sift through all the bullshit pertaining to it online while doing the work that irrefutably proves it. This deception has been ingrained into our psyches so deeply that as far as I know, no one has been able to break through the veil until now. And I can tell you, it wasn't easy for me, **nor will it be for you**. This lie has been taught to us our entire lives and anchored with millions upon millions of suggestions delivered via every kind of medium conceivable. From church to school to music, TV, film, art, the web and publications of all kinds, we have all been repeatedly and mercilessly subjected to this deception. It is hands down the most outrageously damning lie ever to have been told to the masses by our jewish leadership. (*by damning I mean for them!!!*) I promise when you're done chewing on this, you will gain ultimate clarity in knowing for certain that the jews in your city, county, state and federal govts as well as all the talking heads in **their** media who work for, lie for and side with them **are NOT your friends, AT ALL**.

The value of having this certainty cannot be calculated and therefore, this edition of the GG is in fact priceless! What would you give someone for proving Earth is NOT going to crap? That animals are NOT going to go extinct? That non-jewish humanity isn't a virus! What if I told you Extra Terrestrials are real and of earth, hence the word "extra" as in *other* or *more*, earth bound terrestrials! What if you had concrete evidence they never left after building the pyramids but rather just lived a *little ways away on another part of the earth*? What if it all finally made sense to you? What if Earth has far more resources that we're supposed to protect? And how would you feel knowing everything is actually going to be just fine? That not even an big asteroid could ever destroy our beautiful home? What if you could fully refute many of the most depressing subjects of our lives in one fell swoop? **What if you had something entirely new to live, fight and hope for? Get**

ready. . . What if Earth is millions of miles in diameter instead of a ridiculously tiny 7,916? What if that's a LIE?

Colossal Earth

***Purported* Size of Earth; 3,958**

Radius x 2

= 7,916 Diameter x 3.14 (pi)

= 24,864 Miles Circumference

100% PURE BULLSHIT!!!

Hint; It's NOT a small world after all.

This is it friend, when you're done digesting the proof on the next pages, you won't be easily deceived by dejuden again! I've said "**everything is a lie**" many times but this time, it's gonna stick. And don't worry, as usual I'll keep it simple, brief and to the point exactly as I've been directed. *(yes, this too was shown to me by the grace of God, there is no other explanation why I would be **the one** (da-vid) to disclose this blatantly OBVIOUS truth while billions of others haven't over 1,000s of yrs)* And we can all give thanks I wasn't brainwashed beyond 7th grade because that means we won't be using complicated mathematics of algebra, geometry or trig to prove this most essential and elemental understanding of our amazing home called Earth!!!

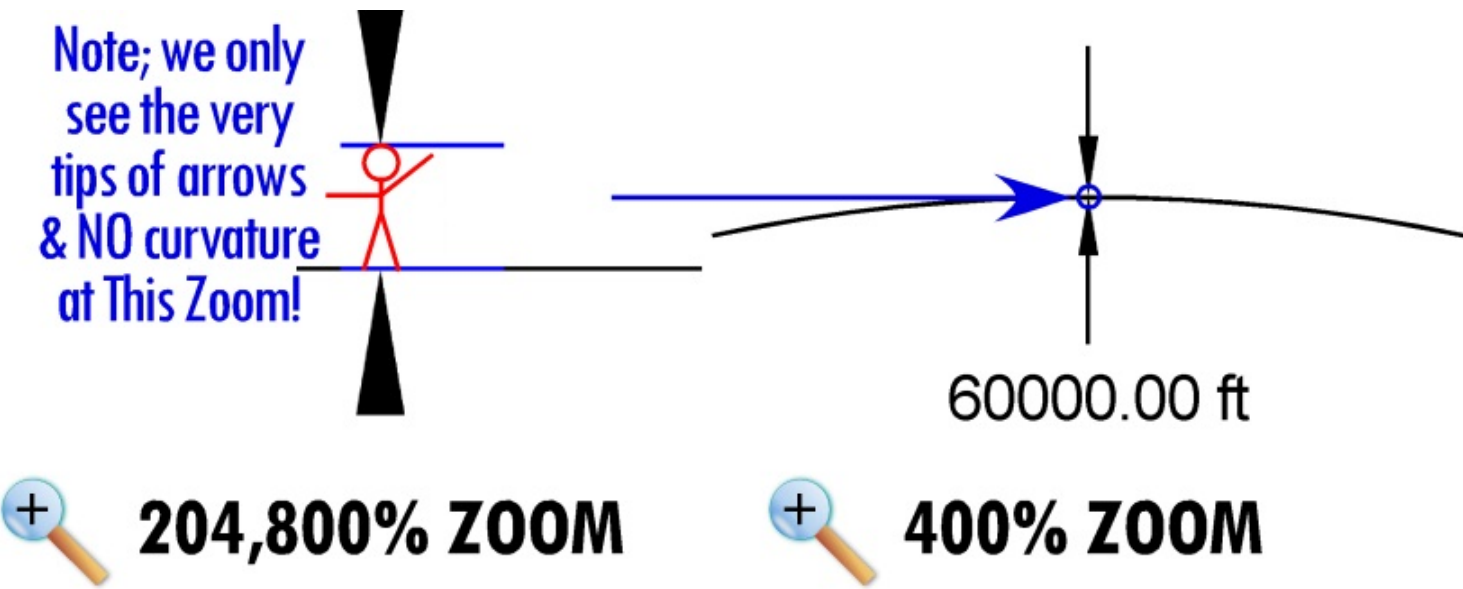

FYI; THERE IS NOT A SINGLE PIECE OF FACTUAL EVIDENCE IN EXISTENCE TO SUBSTANTIATE THE IDEA THAT EARTH IS A TINY LITTLE BALL WITH A MERE 4,000 MILE RADIUS. NOT ONE! YOU CANNOT FIND ONE SINGLE PROOF, ALL YOU HAVE IS THE MILLIONS OF INCIDENTS OF BEING LIED TO BY YOUR CORRUPT VATICAN RAN GOVTS, MEDIA AND EDUCATIONAL SYSTEMS OF THE WORLD. EVERY SINGLE FACT YOU WILL FIND REGARDING THE ACTUAL SIZE OF EARTH WILL GO AGAINST EVERYTHING YOU'VE BEEN TAUGHT BECAUSE THIS IS THE TRUTH AND YOU HAVE BEEN

LIED TO ABOUT THE MOST ELEMENTAL FACT OF YOUR EXISTENCE ON “THE EARTH CIRCLE” WHICH IS A TINY PORTION OF A VERY, VERY LARGE PLANET THAT IS CHOCK FULL OF “OTHERS” UNDER THE SURFACE, ON THE SURFACE AND ABOVE THE SURFACE.

Revelation 5:3 “*And no man IN heaven, nor ON earth, neither UNDER the earth, was able to open the book, neither to look thereon.*”

The first time I sat down to do some figuring on this problem I instinctively reached for the PC thinking I could prove it one way or the other in my graphics program “Canvas”. I’ve used it for creating all the art, logos, and websites for a couple dozen businesses over the years including everything more recently in the AAA, Goyim Gazette, Unified Numbering and etc. I’ve also used its geometric functionality in architectural design of buildings such as my house so, I figured it’d work for this too. But there are 2 points I’d like to make about this, firstly it’s a huge coincidence for me to have had such experience, without it virtually none of this would have been possible because decent graphic designers will commonly charge \$100 to \$500 per hour. All tallied, it’d be safe to say I’ve done well over a million bucks worth of work even at the lower spectrum of \$100 per hour. The 2nd point is more of a realization Canvas allowed me to have about solving this problem regarding the sizes involved. Without it, I likely never would have been able to have the epiphany YOU are about to experience as well! Below is a screenshot of the top of an earth sized sphere I created to scale according to the big lie. The one on the left is measuring a **60,000 foot tall** stick man placed atop our pseudo earth, it was taken at the maximum rate of **204,800%** zoom allowed in my program, the other is at 400% bye, bye!

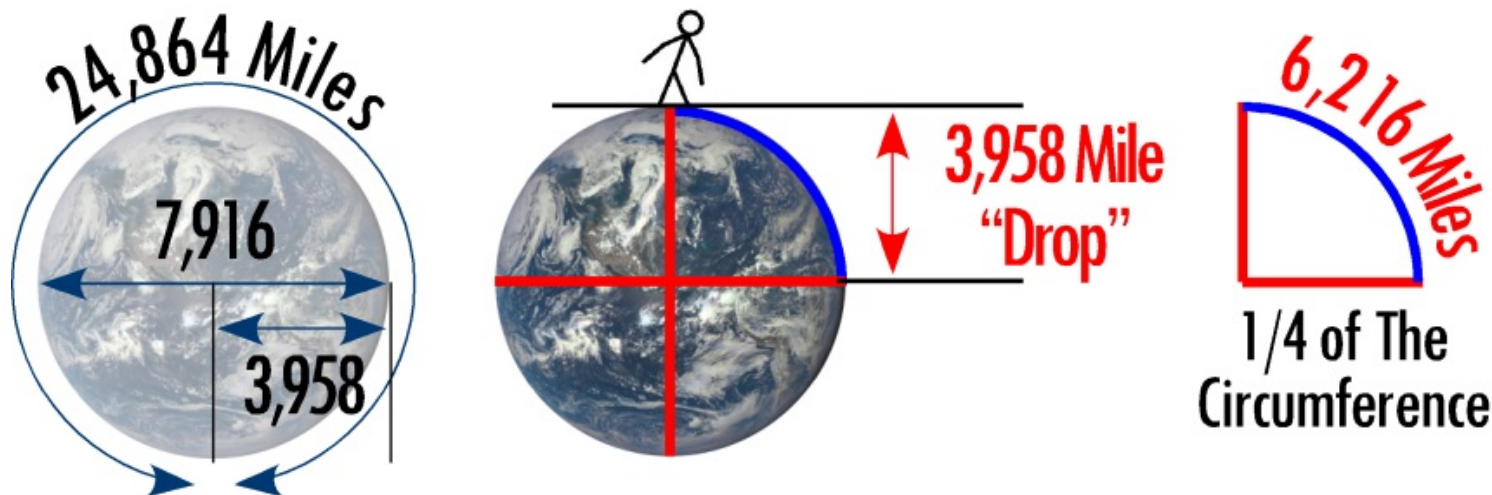

Note; we only see the very tips of arrows & NO curvature at this Zoom!
204,800% ZOOM
400% ZOOM

Instead of a 6' I had to make the stick man **60,000 feet tall** just to be able to see him, even at 204,800% zoom! This should help convey just how phenomenal the magnitude of the problem is to work on without a PC. Drawing this to the scale I found necessary just to see a 60,000 foot tall man would require a 10 mile long piece of paper! The point is, this is all about PERSPECTIVE! We cannot readily perceive earths curvature because like our 60k' tall man, we're still too short, even atop 25k' mountains or in planes at 35k'! I made the following to illustrate things w/a 10k mile sphere for simplicity;

That bell curve is also crucial in knowing there's an exponentially changing factor which comes into play when computing the size of a sphere based upon curvature or distance to the horizon. Creating an equation for this would be very complex to do and even harder to explain. (Always recall, lucifers' lies are complex but God's truth is simple) So instead, we'll choose to rely on basic, good old fashioned math using the bogus figures from the big lie for the **last time** . . .

That 3,958 mile “Drop” (*Let’s Call It “Dave’s Declination Debunking Rule” DDDR for short*) always equals the radius and occurs at 1/4th the circumference from the zenith of any sphere. In this case we’re provided with the 3,958 and 6,216 mile figures. OK, now we need to take a quick 6,216 mile road trip! So, grab Toto and get ready to kiss Kansas goodbye FOREVER. (*Naysayers are well advised to bring a calculator along to double check some **simple 3rd grade math** we’ll be doing. Oh, and if the reality of being lied to by ALL OUR jEWISH LEADERS, **Their** media, **Their** internet, **Their** NASA and **Their** sick, lying, pedophilic popes is upsetting, be sure to pack a barf bag too!*) **Here we go! . . . 3,958 miles distributed over (divided by) the 6,216 miles circumference traveled to DDDR equals 0.6367438 a mile curvature (or drop, fall, declination, etc.) per mile traveled. (3,958 / 6,216 = 0.6367438)** This undeniable numerical FACT equates to a “**Ridiculously Impossible Not to Notice**” 3,362 feet of curvature/mile. (**1 Mile is 5,280 feet x 0.6367438 = 3,362 feet**)

More simply put, this means if we lived on a sphere with a diameter of 7,916 miles, you’d drop an average of 63.67438 feet per 100 feet traveled! (**100 x 0.6367438**) Now remember, this is about PERSPECTIVE. **An ant may not notice this but YOU would!** And FYI; **3,362 FEET (40,344 Inches)** is **5,043 Times Greater** than the **8 INCHES** of declination per mile that puppets of YOUR **jewish** ran government, media, internet, NASA and vatican use! (**40,344 / 8 = 5,043**) You can loosely verify the 8 inch factor by viewing objects at a distance over any body of water as mariners always have and do. . .

Is Toronto Sinking?
Shipless Containers?
(Note; Telescopes Don't Change The Horizon)

Hence, using their 8" rule we can reasonably conclude Earth has an **Irrefutably Verifiable 5,043 TIMES LARGER** Diameter than we've been told by the jews!!! Using this figure also returns an approximate measurement for Earths' actual diameter being nearly **40 MILLION MILES IN DIAMETER** ($5,043 \times 7,916 = 39,920,388 \text{ miles}$) w/a circumference of **125 MILLION MILES!!!** ($39,920,388 \times 3.141 (\pi) = 125,389,938 \text{ miles}$) There is no "**getting around that**" (without a UFO)! Here is another foolproof method of proving this FACT to oneself; If you went on the same 6,216 mile journey of $1/4^{\text{th}}$ Earths supposed circumference while experiencing the known drop of 8" curvature per mile, you would only have descended about 4,144 feet. ($6,216 \text{ miles} \times 8 \text{ inches per mile} = 49,728 \text{ inches}$ and, $49,728 \text{ divided by } 12 \text{ inches per foot} = 4,144 \text{ feet NOT } 3,958 \text{ MILES!!!}$) **3,958 miles** $\times 5,280 \text{ feet per mile} = 20,898,240 \text{ feet}$ or **5,043 times more than 4,144 feet!** Those numbers don't lie, and once you've fully accepted that much, you'll begin asking some real good related questions . . .

A BONUS FOR ONLINE READERS; check out this little gem I recently found from the Vedic scriptures which are literally chock full of SUPER ADVANCED KNOWLEDGE ABOUT THE UNIVERSE given to the Hindus from God himself circa 7 Millennia BC. This one is speaking of the big bang theory which is also supported in the Quran but what's interesting for us now is the measurements given;

Vachanamrut Gadhada II-64; Shriji Maharaj describes the yogic powers of God, “By the yogic powers of God, the 500 million-yojan (*1 yojan = 10 x 10 or 100 square miles*) surface of the pruthvi (*earth*) becomes the size of a sub-atomic particle at the time of dissolution. Then, at the time of creation, from being sub-atomic in size, the pruthvi again becomes 500 million yojans large. A wise person would note that God has told us “the surface” is 500 million-yojan which one would obviously conclude must mean “surface area”. (*not circumference, diameter or radius*)

Here’s a verse about the big bang from the Quran;

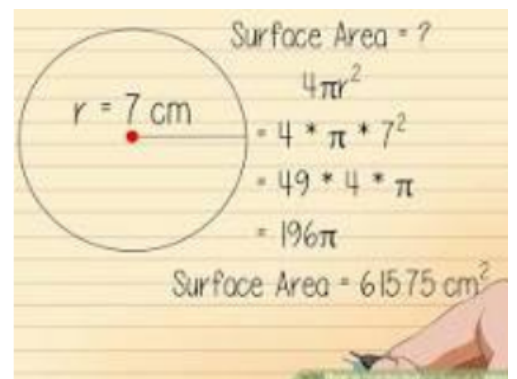

21:30 Have not those who disbelieve considered that the heavens and the earth were once one thing then We ripped it apart and made every living thing of water modern science;

51:47 And the heaven We built with might and truly We are ones who expand it.

Here’s the calculation for finding the surface area of a sphere;

Steps

1. Know the parts of the equation, Surface Area = $4\pi r^2$
2. Find the radius of the sphere. ...
3. Square the radius by multiplying it by itself. ...
4. Multiply this result by 4. ...
5. Multiply the results by pi (π). ...

Surface Area = ?

$$4\pi r^2$$
$$= 4 * \pi * 7^2$$
$$= 49 * 4 * \pi$$
$$= 196\pi$$

Surface Area = 615.75 cm²

The result using “their” 3,958 mile radius of earth is about Two Hundred Million or to be precise 197,061,258 Square Miles of Surface Area. Now Check this out; The result using our estimated size of 20 Million Miles in Radius is about 50 Billion miles of Surface Area or 50,260,000,000 to be precise. Hey, that 50 Billion figure equals 500 Million Yojans each made up of 100 Square Miles!!! (500,000,000 x 100 = 50,000,000,000) AND DON’T MISS THE BLATANTLY OBVIOUS FACT THAT THERE IS A DISCREPANCY OF 49.8 BILLION MILES BETWEEN THEIR RIDICULOUS 200 MILLION MILE SURFACE AREA AND OUR 50 BILLION MILES!

A RECAP;

THEY SAY IT’S ONLY 197,061,258 SQUARE MILES

(ABOUT 200 MILLION)

GOD SAID IT'S 50,260,000,000 SQUARE MILES

(ABOUT *50 BILLION*)

A DIFFERENCE OF *49.8 BILLION MILES* WHICH COMES OUT TO BE VERY CLOSE TO THE 5,043 TIMES LARGER CIRCUMFERENCE OF EARTH THAT THE “DDDR” PROVIDED US WITH!!!

That's proof from God himself given to the oldest keepers of his/her teachings, the Hindus!!

1. But we've seen pictures of Earth from space and from the moon right? Sure you have. You've seen pictures from the space between the ears of a bunch of kikes who fabricated the entire Apollo joke. That's why there's no stars in the background of official NASA pics of earth or the moon during their fairy tale adventures with Apollo 11.

Look ma, NO stars!!!

Go ahead, google them. This is also why NO ONE has ever went to the moon again, not the U.S., not Russia, not China, NOBODY. *Next;*

2. How could such a massive lie possibly exist? Because dirty, rotten, evil, lying, lowlife shitstiens have told this lie to all of us millions of times in every manner conceivable via ownership and control of the media, educational institutions, governments and most importantly, churches under the vatican with all their telescopes around the world and their pagan obsessions regarding astrology. Think they know???

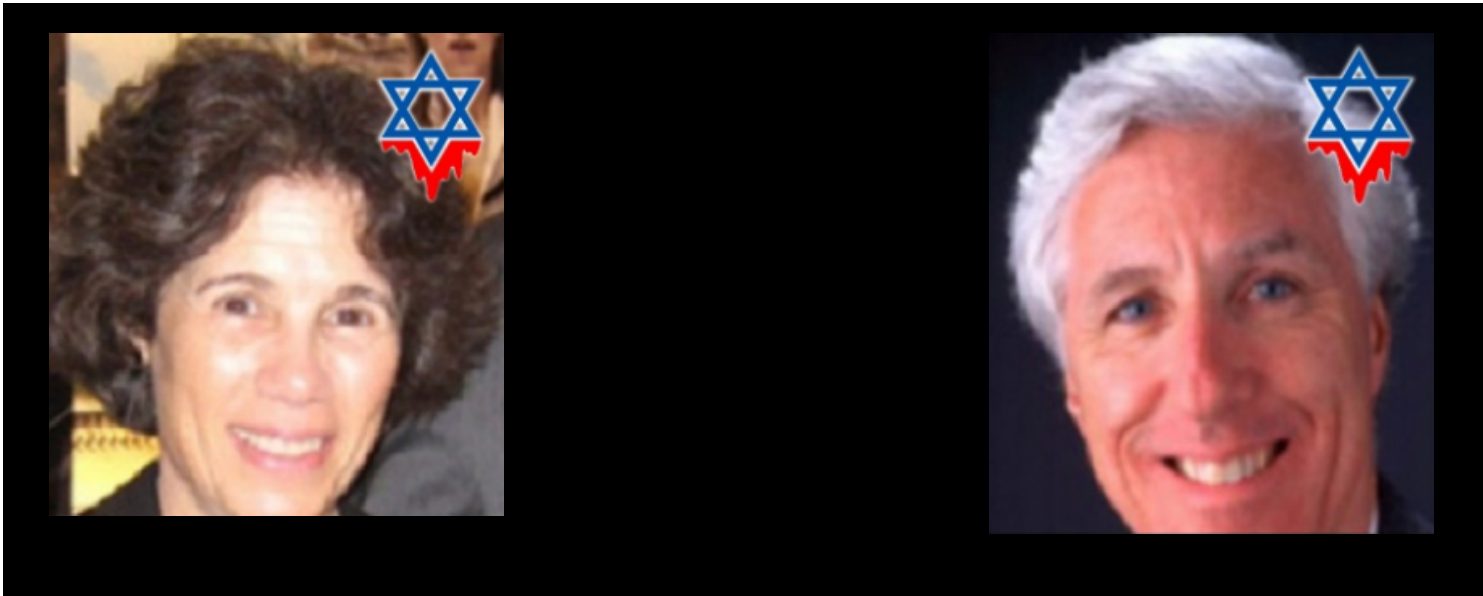

Still think this sick, horn waiving POS was ever your friend?

- 1. VATICAN TELESCOPE IN AZ NAMED “LUCIFER” (JUST 1 OF MANY)
 - 2. VATICAN DESTRUCTION OF EARTH “ART”
 - 3. SHIT FOR BRAINED SATANIC VATICAN SUN WORSHIPER
- Still Think that sick, horn waiving POS was ever your friend?**

3. But what about the astronauts who’ve been in space and take pics from the space station? Oops, they’re satanic jews too! And surprise, surprise, if you do the research, you’ll find many are masons as well. NASA is chock full of masonic CIA kikes just like all the other jewed government alphabet soup gangs, and we’re up to our ears in their tiny earth LIES. Oh, by the way, Challenger was empty when it exploded. Not one dirty, rotten, filthy, lying yid died just like 9/11 and all big psycho shootings. Can you say *insurance fraud* and *CIA psy-ops*?

4. *What about pilots of airplanes and captains of ships who fly and sail “around the world”, wouldn’t they have noticed a colossal earth?* Firstly, many early explorers/murderers such as Columbus were jews. That aside, modern navigators are trained with jewish books so they rely upon using compasses which always point north (*instead of the stars*). And again, this has to do with perception, one cannot perceive the gradual turning to north which occurs while circumnavigating earth even at the speed of sound, much less 20 knots. Let’s use the jewish UN logo they’ve mocked you with to depict what’s going on;

That was a real map of our “**earth circle**”! (*we’ll come back to that*)

5. Why do differing opinions and various procedures for making calculations for navigating earth exist? One word; **PROPAGANDA**.

6. How do they keep this quiet? On top of owning all the media and using it to both censor the truth and program our minds with advanced propaganda, they also use magick which is in fact telepathy via the 3rd eye, also known as the brains’ pinal gland. When the average person stumbles across big truths like this one in particular, they can expect to be mentally assaulted by “others”. For instance, along with being programmed to have knee jerk disbeliefs of OBVIOUS truths, you’re likely experiencing an all-out telepathic attack right now. And FYI; **Your level of resolve will in part, prove your faith.** *2 Thessalonians 2:11* “For this cause God shall send them strong delusion, that they should believe a lie, that they all be damned who believed not the truth.” OK, now let’s put this all together by connecting the dots with a few graphics from some of my other works;

You’re seeing prima fascia evidence that conspiracies, lucifer (an ET), supernaturals and telepathy are quite real. You’re in a fight for YOUR freedom against **real life evil**. (*not funny Dr. Evil or fairy tale evil, we’re talking real, diabolic, vile, despicable and vicious evil*) This is NOT a silly game, you’re NOT reading fiction and if you have the tenacity, faith and love for God and his truths, this issue alone has the potential to set you free because earth is sort of central to YOUR life!

7. What about the satellites I've seen whizzing by way up in the sky at night? The OBVIOUS clue here is this; satellites would appear stationary because that's the entire point, satellite dishes don't move, they're fixed! The truth is; our supposed satellite dishes are pointed towards distant high powered radio towers which bounce signals off the firmament. Those lights in the sky are ETs and I've seen them in the daylight 5 times over the course of my life to date. What, OMG!

8 . . . The final and most important question to which we'll dedicate most of this page is; Why did jews lie to us about the size of Earth? Because **biblical jewish satanism** is based upon "master & servant", **it's slavery**. The jewish talmud teaches them that non-jews are their slaves allotted to them by their G-d who is jehova/lucifer. But most good folks aren't keen to the idea of being servants to evil, bigoted, parasitic monsters so, they had to deceive us about themselves and *our uses to them*. It all started with getting us to buy into their totally one sided monetary systems which are based upon using earths' resources. Firstly, the less resources you think there are, the more they're worth. That's an elemental understanding to have about this. Secondary is jews also had to make We The People into sick, greedy, **destructive** and **materialistic** takers like themselves. Note MATERIALISM and DESTRUCTION from their satanic/masonic motto, all that's left is IMPOSITION. Since most can readily understand how materialism is necessary for capitalism and hence judaism, let's dissect **destruction** starting with a couple examples of propaganda to make you malleable;

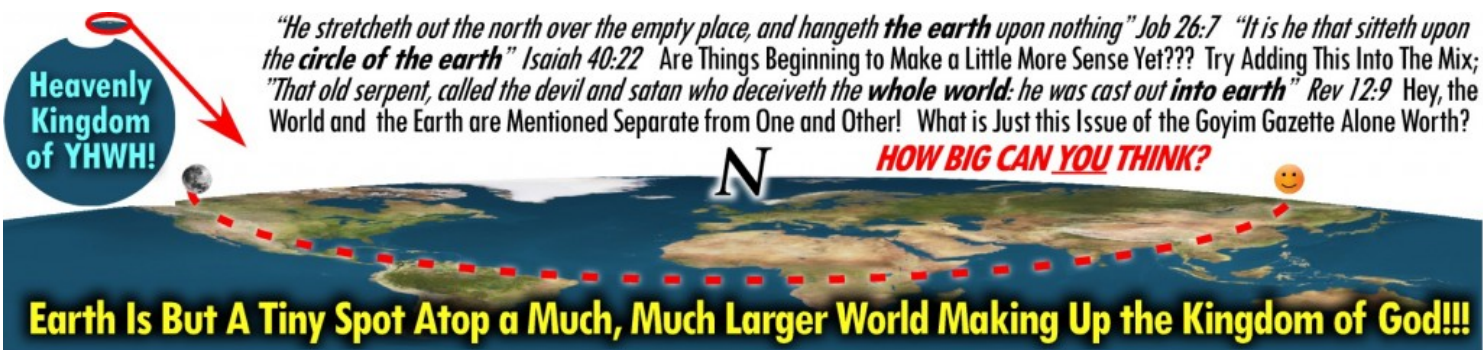

GET INVOLVED NOW. POLLUTION HURTS ALL OF US.

If WTP weren't subjected to propaganda on **destructive**, evil things like waste, pollution, deforestation, overfishing and war, we could never get used to them. It took decades just to get us to use disposable cups! And if we weren't used to destruction, we wouldn't put up with it which would equal failure to the jews who have to kill innocents and destroy earth to extract its resources. If we weren't

numbed into submitting to **destruction**, their worthless (*to us*) fiat currency, their fractional reserve system and their usurious lending would never have been possible. This is why you do **NOT** want to use their “satanic all seeing eye money” and **DO** want to have your own form of Earth and God respecting Outbank currency with no interest, taxes, penalties or slavery for you, whether voluntary (*as you are/were*) or non (*as you can be*). Their money truly is at the root of all, real life EVIL. Get it?

But I digressed back to one of the other practical purposes of all this, the more fantastic side of it is FREEING YOU and humanity from the shackles of evil, vicious, psychotically bigoted, jewish, lucifer worshipping tyrants seeking to **PERMANENTLY** enslave you now, and your soul later. Next we’ll delve further into exactly why they had to totally and ruthlessly deceive us all to continue their parasitic existences, but the BIG realization is it all began millennia ago in the satanic, jewish vatican with this gargantuan lie about the size of your and my home, planet Earth. ***Enjoy this first ever peek at our reality;***

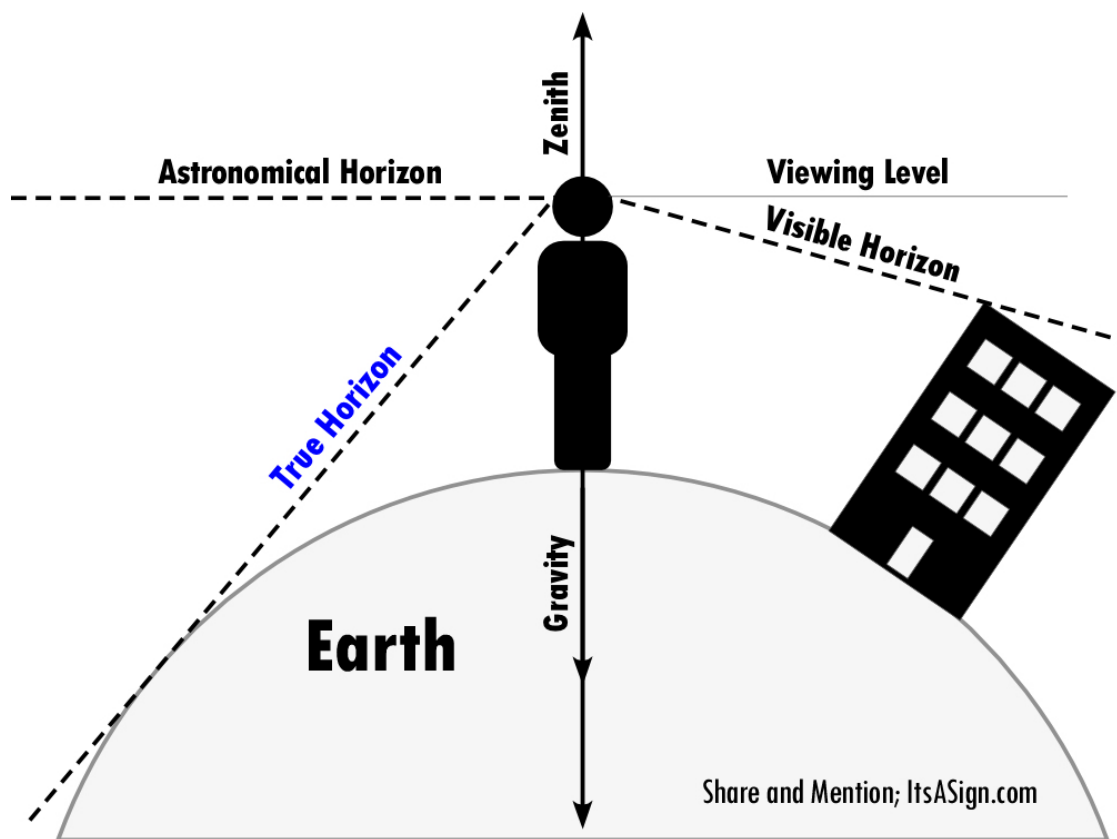

“He stretcheth out the north over the empty place, and hangeth **the earth** upon nothing” Job 26:7 “It is He that sitteth upon the **circle of the earth**” Isaiah 40:22 ARE THINGS BEGINNING TO MAKE A LITTLE MORE SENSE YET??? TRY ADDING THIS INTO THE MIX; “That old serpent the devil who deceiveth the **whole world**: he was cast out **into earth**” Rev 12:9 Hey the world and the Earth are mentioned separate from one and other! What is just this issue of the Goyim Gazette alone worth? **HOW BIG CAN YOU THINK?** Earth is But A Tiny Spot Atop a Much, Much Larger World Making Up the Kingdom of God!!!

The thing you have to understand about satanic deceptions is this; ***The more lies you believe, the more lies you WILL believe.*** It can get to a point (*and has for many now*) where one cannot discern between Gods' truth and the jews' lies. You can see how that would and does benefit an evil, oppressive group of oligarchs who require their slaves to be unaware of their misfortune. The best kind of slaves are those who don't know it! Keeping the masses dumbed down and deceived is at the very core of their modus because they have to live among us. (*which they do as you'll find out for yourself when you try to share pretty much any of my works with traitorous crypto jews who you WILL FIND are your neighbors, coworkers and family members that have strategically placed themselves into your life for their clan with the primary purpose of using, deceiving and dumbing down you and your real kin!*) That is a very important process to go through but the real point I'm trying to make here is that satanic lies aren't like lies where someone is simply trying to get away with something they did. These lies literally make one delusional, insane, WEAK and MANIPULATABLE for easy, non-resistant, *candy from a baby style enslavement*. This is about methodic deployment of highly advanced psychology backed by the most malicious & hateful intent imaginable, that being to mercilessly oppress and enslave unsuspecting innocents while robbing them of their connection to all that's good and true in the here and now, as well as the eternal future with our creator. And that is a good example of IMPOSITION but we'll conclude w/more.

First I want to hit on the most diabolical part of the jewish New World Order agenda one more time. The best non-jews **ARE** being slowly killed and dumbed down by crypto jews living among us right this second. The worst ones have no genes for empathy, they are not like you, the rest have been deceived into being used as tools and if that's you, you're not only one of the dumbest, most idiotic and gullible fools on earth, you're also going to prison then hell if you don't repent (*stop*) right now. That's my last warning to subversives. Again, what kind of idiots would allow, much less participate in such depraved, hateful manners if they too were not utterly deceived?

As for everyone of my kind, I ask you, if you haven't already accepted this as factual, when you finally do, will you be angry with the worthless, satanic jew pukes who've lied to you about it over the course of your entire life? Will you continue to allow them to rule over you like a lowly idiot? Will you trust them to continue handling all of your affairs, making your laws, needlessly destroying Gods' creation, torturing animals, murdering millions of innocents, choosing your violent, perverse and morbid entertainment, creating, controlling and valuing your currency, taxing, poisoning and deceiving you and yours in every manner conceivable while telling you what you can or cannot eat, drink, use, shoot, drive or do in nearly every regard? Will you allow them to continue IMPOSING their evil sickness upon you? Or will you **wake the hell up**, do your part and respect God by using the free

Those figures are referring measurements of what's known as the "true horizon" shown in blue text here;

The way they come up with those figures is by taking the distance squared times 8 inches (actually 8.0019798) which is the known curvature for one mile at sea. It's a very simple calculation based upon 100% BULLSHIT. So, we'll do it just for fun to prove it for yourself;

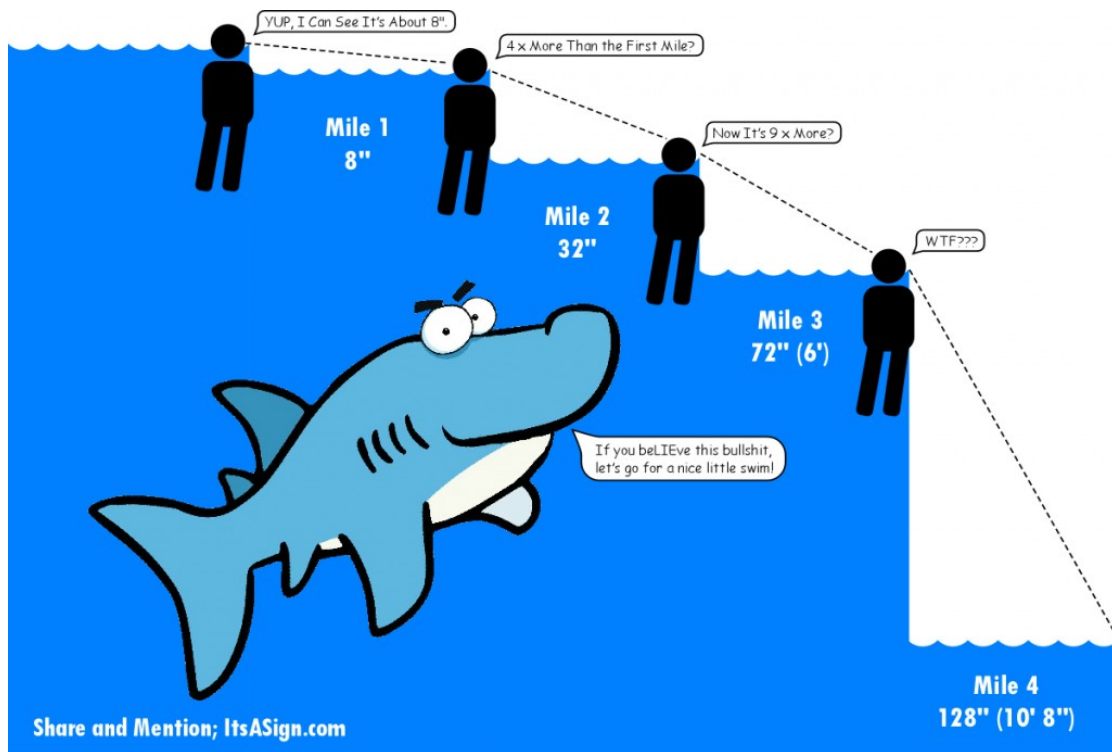

Let's say we're going 4 miles which according to the ridiculous calculation table above results in 128.0019718 inches of curvature/drop.

Here's their math;

4 miles squared (4×4) = 16 and;

$16 \times 8.0019798 = 128.0019$ inches drop

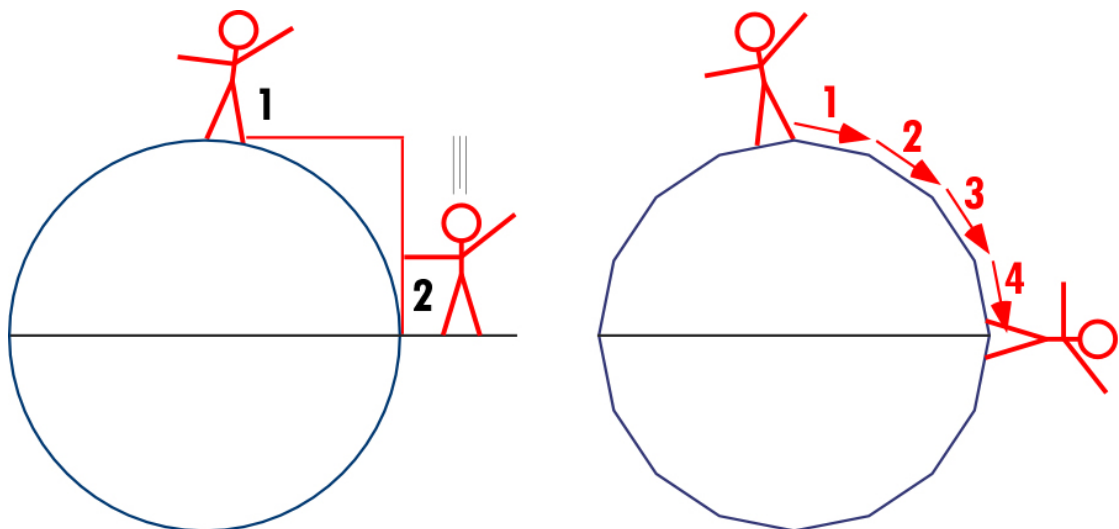

The obvious and glaring problem YOU should have with the widely varying figures being used from one mile (*or kilometer*) to the next in that calculation from the graph above is they don't make any friggen sense whatsoever! Stop to think about this for a second . . . why wouldn't the curvature of the first mile be the same as the rest??? **Because biblical satanism is based upon deception that's why!!!** I made the following graphic to illustrate this ridiculous satanic farce;

Translated; MILE 1; Yes, I can see it's about 8". . . . MILE 2; 4 times more than the first mile? . . . MILE 3; Now it's 9 times more? . . . MILE 4; 16 times . . . What the F? If you beLIEve all this bullshit, let's go for a nice little swim!

The reason commonly cited for this wildly changing drop is that the first step you take is gradual while the last step would be monstrous at a 90 degree angle. That of course is just another pile of BS to distract you from the very basic, kindergarten level of logic relating to the law of averages. But no amount of satanic BS can change the FACT, THAT IN REALITY EACH EQUAL STEP YOU TAKE ON A GLOBE RESULTS IN PRECISELY THE SAME AMOUNT OF CURVATURE.

THIS IS NOT MYSTERIOUS, COMPLICATED OR DEBATABLE SO, FLUSH ALL THAT CRAP OUT OF YOUR BRAIN NOW!!! It doesn't matter if you're taking 1 giant step or a million small ones, if they are all equal (*like the ones we use in miles or kilometers to measure our globe*) they will each result in precisely the same amount of curvature per step on average.

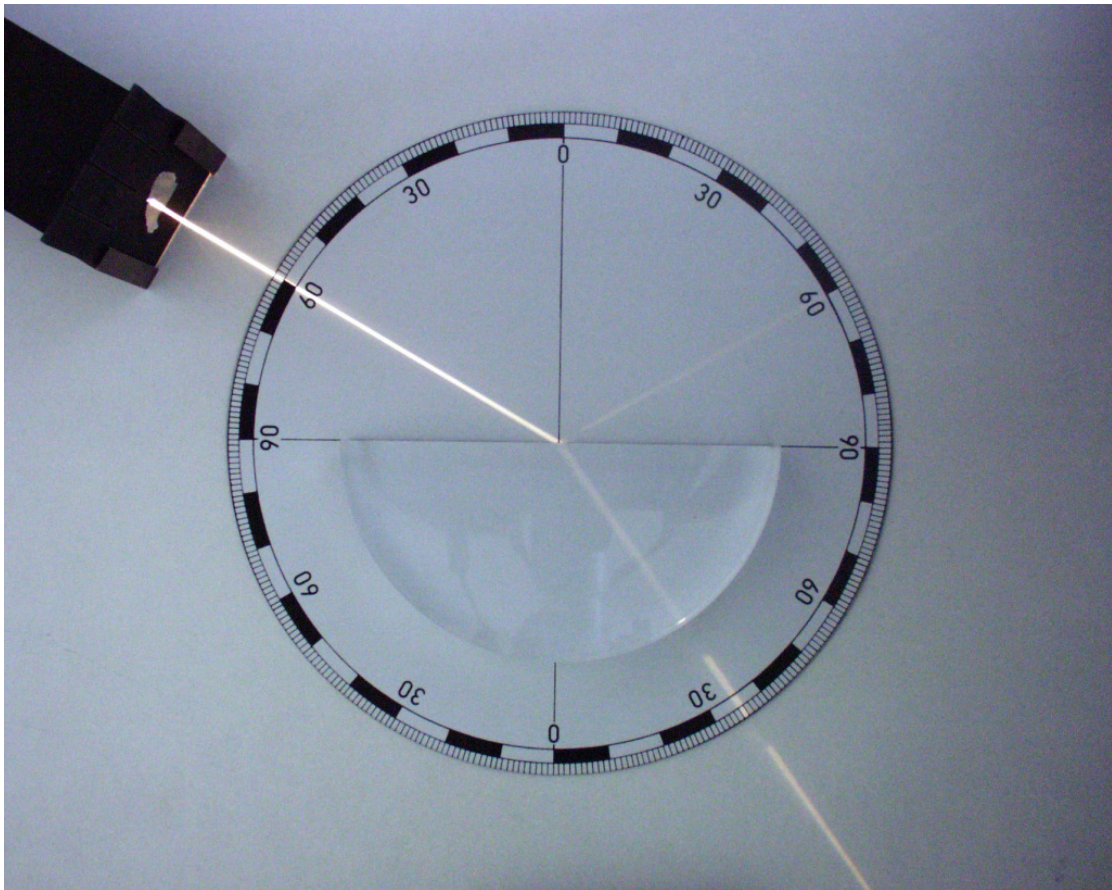

However, one thing about the problem is it can be nearly impossible to prove to oneself via the eye (*even with optics to magnify things*) due to the well known phenomenon of mirages or what's famously known as "fata morgana". Basically, if you ever see any deviation from the constant and reliable 8" per mile declination with your own eyes, it's because they're lying to you exactly as they have before when you've seen things like this;

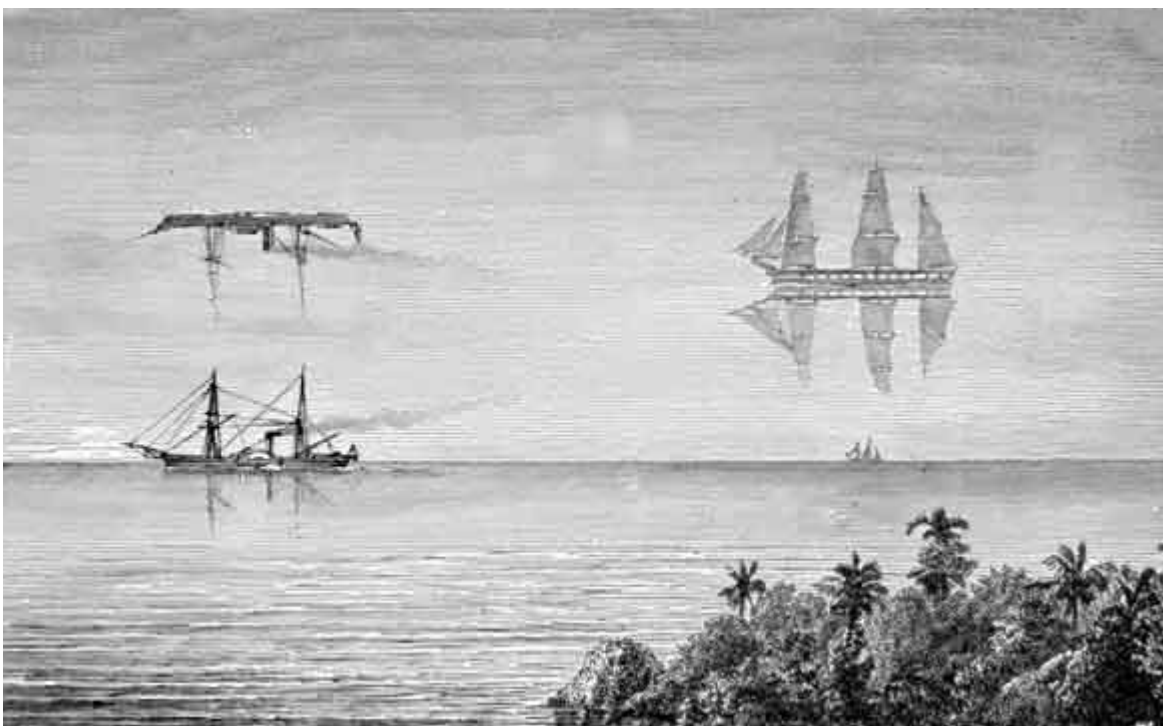

These kind of mirages or fata morgana are due to the refraction of light through differing atmospheres which produce either a superior mirage or an inferior one as

illustrated below by the light refRActing through and refLEcting off of a piece of plexiglass because it's denser than air;

This effect is what's behind the old fable of the “Flying Dutchman”, a ghost ship that forever sails the horizons with its crew of dead off the coast of Amsterdam around the Cape of Good Hope. Again both inferior and superior versions were and are seen of this phenomenon as documented throughout history;

Here's a few examples in actual pictures;

It's not uncommon for the entire horizon to disappear leaving one without any ability to estimate distances, much less declination. Imagine seeing this while traversing a foreign land;

The existence of fata morgana is a significant part of what our corrupt and evil leaders have relied upon for propagating their “big lie” for millennia but it's time to end that here and now. With that said, we will now explore a very, very interesting little discovery I've had which will help us further prove that we've been lied to about earth by our corrupt and evil leaders in our governments, schools, churches and of course the vatican where all of their crap originates.

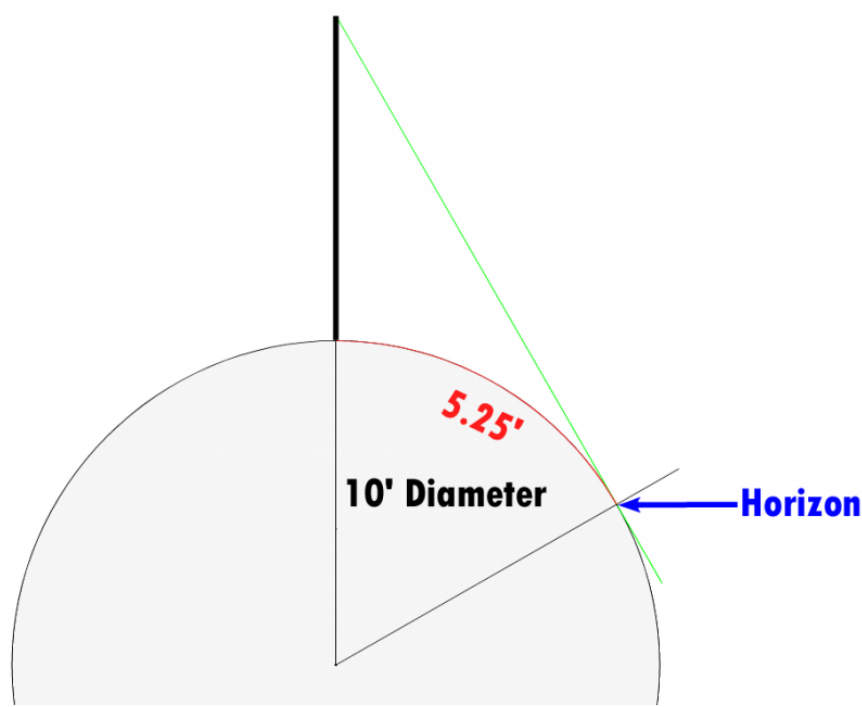

Once again I used my graphics program “Canvas” to do this work but you could use pretty much anything including Adobe Illustrator or Autocad to come to the same irrefutable and mathematically concrete conclusions. What blows me away (*and should you as well*) about this little gem is the fact that we have apparently been led to find a completely new use for our old friend pi! **(3.1415926)**

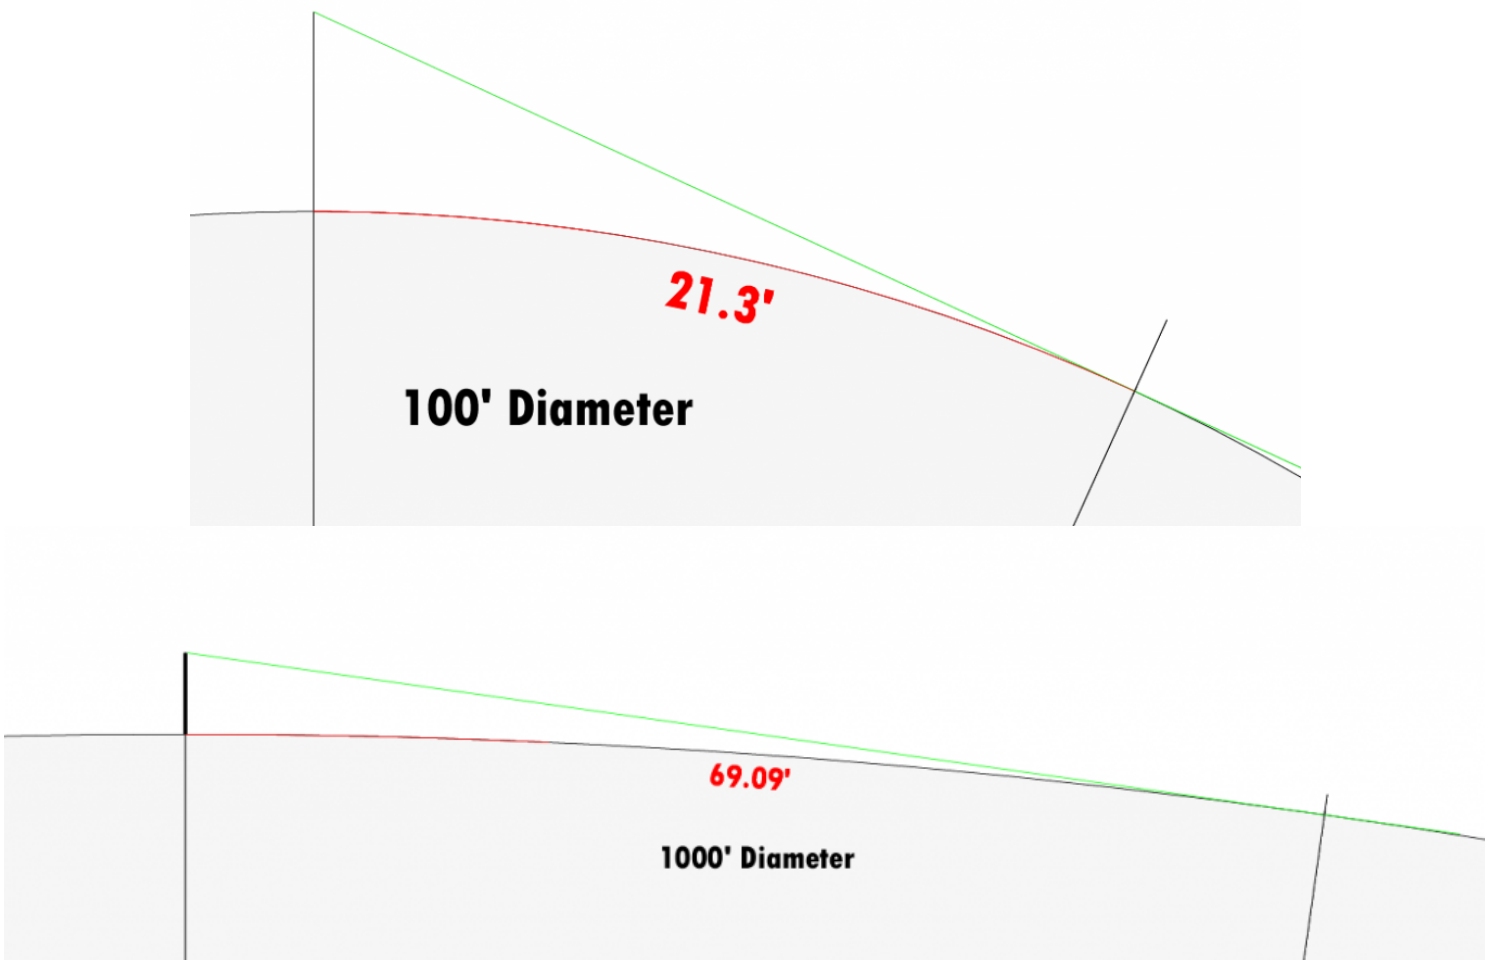

It turns out that once you’ve made it past a certain height/diameter ratio of about 1/2000, the factor of change in distance to the horizon equals pi to within a millionth of a decimal!!! (.000000)

Check it out;

I began discovering this curious mathematical phenomenon while working in Canvas using a 5’ viewing height (the length/height of the black line below) on spheres of increasing diameter starting with 10 feet which gave me the figures I used for the above table;

Once I hit 10,000 and continued upwards, Peggy noticed that the factors of change in viewing distance were approximating to pi! This particular part of the discovery and how the real math tallies is a work in progress. In the mean time, please do chime in with whatever intelligent input YOU might have in the following commentary;

Here’s a pic of a real map of our earth circle known as “Gleason’s New Standard Map of The World” which was patented in 1892.

This goes along with everything I learned from my Dad. He always said that earth was vast and unexplored. It also explains why we supposedly went to the moon but never got around to crossing the antarctic! The reason of course is that the antarctic is the huge white mass surrounding us in that map! This is some excellent work guys, we have definitely been lied to, it's obvious!

Here's what I assume is the original of that picture of the not so dead astroNOTs from the non-existent challenger psy-op disaster (*little did they know all their crap is going to cause a very REAL disaster for THEM huh?!)*

Well, I've been seeing a lot of the flat earth stuff online lately but this colossal earth is the real deal. I guess that's why so much of the flat earth evidence seems true. Our planet is so huge that it actually borders on being flat in terms of mapping it.

The best debunker for the flat earth is what you've touched on here, that being how can bottoms of objects disappear behind the horizon when looking across the water? Why would water curve if the earth isn't a globe? There's the deal killer for flat earthers!

But here's a few good questions from the flat earthers that now make all the sense in the world, it all fits right in with the colossal earth!

Why can't anyone freely explore Antarctica, why did "they" create the "Antarctic Treaty" which makes it impossible for individuals to explore it?

Why isn't there any HD live footage of the whole earth from space by now in this year of 2016? There are many, many rockets equipped with cameras to study, photograph and take movies of distant objects but none of them ever bothered to simply look back towards earth and grab a few vids? Really?

Why don't airplanes fly over the south pole between southerly destinations to save TONS of flight time and expensive, profit sucking gas??? Anyone can research flights to see this for themselves. Just ask yourself; why do the vast majority of those southern flights always involve ridiculous trips through the NORTHERN hemisphere??? Here's an obvious example of this BS with flights between Santiago Chile to Sydney Australia. The map on the left is Google with lines drawn showing the most common flight paths according to their "data". Note how they go all the way up to the U.S. and Canada instead of just straight to their destinations! Now the one on the right is of the flat earth map (or "flatter" we should say). This is the actual flight path that everyone goes on because it is the shortest distance from point A to point B because we indeed are living on a flatter earth than what we've been told! It's irrefutable.

Another example;

Thanks Christopher, you're absolutely right. It's worthy of noting those screenshots came from a flat earth video I just recently found on Vimeo that

got banned from youtube on bogus copyright claims. Too close to the quick I guess!

UPDATE!!! Get ready for another HUGE PROOF SOURCE TO HELP REGAIN YOUR SANITY because . . . I've just realized the speed of light encoded into the dimensions of the pyramids at Giza which we saw in the 2nd AAA newsletter are tied to the fictional size of earth! Here's how all the liars like the famous Eratosthenes of circa 200BC and all the rest of these dumbshits since, go about repeatedly puking up the bogus numbers representing the diameter of earth;

The speed of light in kilometers per second is 299,792.458.

As we coincidentally learned in GG issue #116/666, the number of seconds in a day are 86,400, (60 seconds/minute x 60 minutes/hr x 24hrs/day *2+4=6 for a 666 every day!) that 86,400 figure squared (times itself) is 7,464,960,000.

NOW GET READY! . . . 7,464,960,000 divided by 299,792.458 (speed of light) = **24,900.4**. NASA, the Vatican and kike owned Google will all tell you earth is 24,901 "**MILES**" in diameter! (Note this is just .6 of a mile off from the above calculation and we determined it's measurement in **MILES** via the speed of light in **KILOMETERS** per second!)

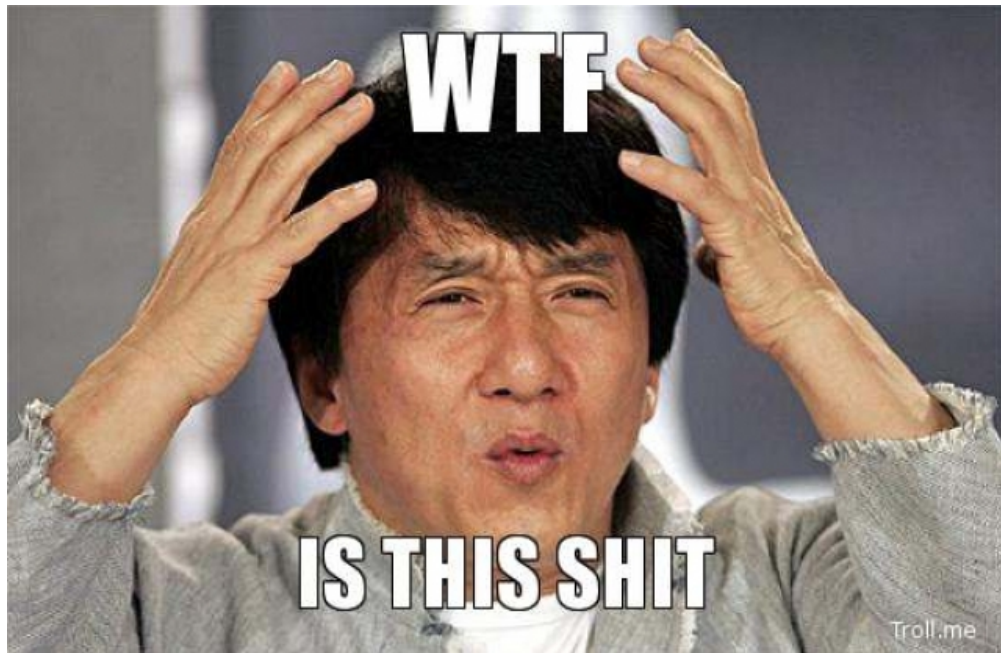

But wait, what if we try it with the speed of light in MPH instead of Kilometers per hour;

Again, number of seconds in a day are 86,400, that figure squared (times itself) is **7,464,960,000**.

The speed of light is 186,282 **MILES PER HOUR** and **7,464,960,000** divided by 186,282 = **40,073.4**, once again just **1.6 KILOMETER** difference is very close to the 40,075.0 Kilometer diameter espoused by our satanic dipshits!

Look at that! They used the bizarre number of 7,464,960,000 obtained by squaring 86,400 seconds in a day with the **KILOMETERS PER HOUR** of light speed calculated to make up the diameter in **MILES** and **MILES PER HOUR** light speed to fabricate the diameter in **KILOMETERS**!

Do satanic opposites get any more crafty, blatant or bold than that? I mean c'mon . . .

And what are the odds of me ever figuring this out??? Or that I've debunked the bogus story of Eratosthenes on multiple occasions in the distant past with the simple observation that he couldn't have measured the earth using the shadow of the sun simultaneously in Alexandria and Syene because he had no watches to synch nor phones or radios to communicate with!!! See there, they just made all this shit up! **If that's not a smoking gun I don't know what is!**

And here's a valuable addition discovered by Robert I'm now adding to this comment; First, everyone needs to recall the fact that the Dome on the Rock and the Kabba are 666 nautical miles apart. Well, nautical miles were determined via the 360 degrees around earth's equator (*360 degrees broken down into 60 minutes each for a total of 21,600 nautical miles, note the 216 or 6 x 6 x 6!*) which are then divided over the circumference in statute miles.

OK, so “someone” measured the distance between the dome and the kabba even though there was no technology to do so at the time. Among many other incredibly fascinating things in issue #119, you’ll discover in Roberts’ commentary there that Peggy and I built our house **Precisely 6660** miles from the center of the old village of Nazareth where Yeshua, Mary and Joseph lived!!! (*Don’t worry, you don’t know this isn’t just a random happenstance because you haven’t read GG #119 yet!*)

The points;

- a.** I’m stating I didn’t do this knowingly and Solomon didn’t either because he hadn’t the technology!
- b.** “Whoever” is behind this knew how nautical miles and statute miles would be determined in the future!
- c.** The 666 nautical miles were determined by way of the fictitious circumference of the equatorial “BIG tiny earth LIE”!
- d.** 21,600 minutes/nautical miles times 1.1507794480235 (*the purported factor to determine a nautical mile*) returns 24,856.835 which is just 8.835 miles off of the 24,864 mile diameter figure I was directed to use herein! (*I did so because of **24** hours and **86,400** seconds per day!!! **That’s where my 24,864 figure came from!***)
- e.** The top lying turds of the vatican controlled churches, the government and THEIR media know all of this and are hiding it and all other proofs of the existence of God from us! and . . .
- f.** **God did all of this and is now showing it to us from the ether and without any need for *their* cooperation or knowledge whatsoever!!!**
- g.** All combined, there will be ZERO room for doubt by any rational or sane person that all of this could ever be coincidental! It’s simply NOT possible!!!

Hey all, say hello to YHWH!!!

Wow, this is the most incredible thing I've ever read! You guys have done an awesome job around here. All I've got to say is what the hell did we ever do to all these lying jewish assholes who've done this to us? WTF??? They definitely need to go. I'll do whatever it takes to make all of this ridiculous crap end, my kids aren't going to have to put up with this BS that's for sure!!!

Everything being said here is true, it's the psychotic lying jews in the vatican, the psychotic lying jews in the governments, the psychotic lying jews in the media and the psychotic lying jews in the U.N. This little side by side did it for me!

I've never seen anything like the AAA ballot or this, everyone should use them. I submit that reading these should be a law, a requirement for citizenship. Being ignorant or being a secret marano jew aren't options, we should make both illegal. Holding secret beliefs and goals or running from the truth is not how any decent group of God/Earth loving people will ever succeed. Being liars or being ignorant to their existence are not options. Nobody wins and don't forget, God will judge both! Deceivers and deceived share the same fate, don't forget this.

The only way to God is living a righteous life and loving his truth. The path is wide but the gate is narrow! The path is wide but the gate is narrow! The path is wide but the gate is narrow! The path is wide but the gate is narrow!

DO NOT LIE OR SIN AND DO NOT FOLLOW LIARS OR SINNERS.

Kill the fuckers. Round em up and kill them! IT'S TIME.

1. Barry

May 15, 2016

You're right Ron. It's time!

This subject is sooooooooooooo well propagandized by online shills and trolls it's maddening trying to research it via jew owned google! That said, I stuck with it awhile and bore some fruits . . .

FYI; It seems that the 8" per mile figure for curvature has been well verified and used captains of ships and other mariners forever so, we can safely assume it's a good approximation. I think the exact number is 7.98 inches per mile. If anyone wants to "go overboard" on figuring it out for themselves, there is at least one excellent resource I found on <http://www.SailingIssues.com> which is an educational/certification company for navigators/sailors. Here's the link to the page I found to be most applicable; <http://goyimgazette.com/CurvatureAtSea/MarineNavigationCourses.htm> (PS David, please save that page to your server for safekeeping!)

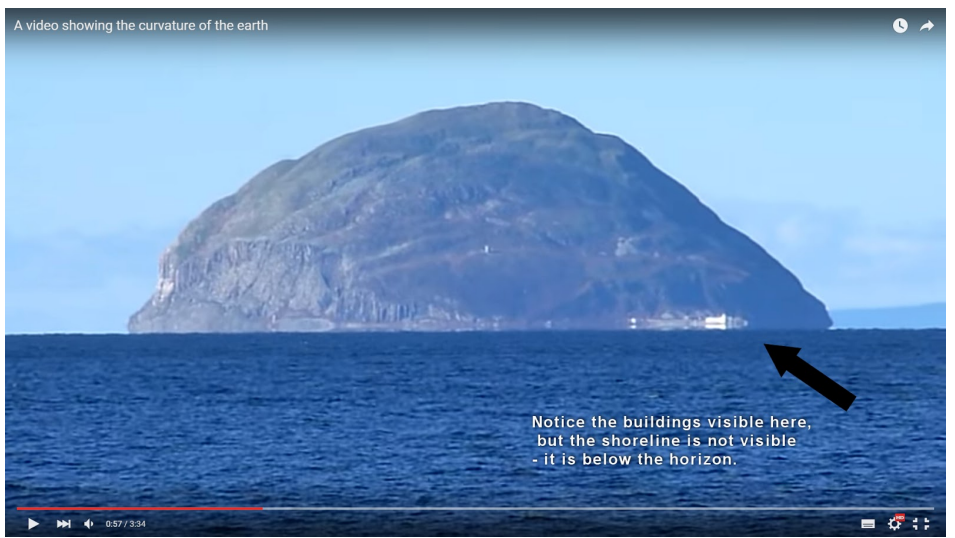

People won't understand just how important it is to the top jews to keep this lie covered up until they try researching it themselves via google. What you'll find is exactly as David says, just tons of confusing disinformation using highly complex and bogus means of calculations with algebra and trig.

ANYONE HAVING DOUBTS ABOUT THE SINCERITY OF DAVID, PEGGY, MYSELF OR THIS SITE NEEDS TO TAKE A LITTLE STROLL INTO THE EVIL AND SATANIC ONLINE WORLD OF CIA DIS-INFORMANTS ON THIS SUBJECT!!! That's one reason I like the simplicity of pictures which clearly show the horizon at sea.

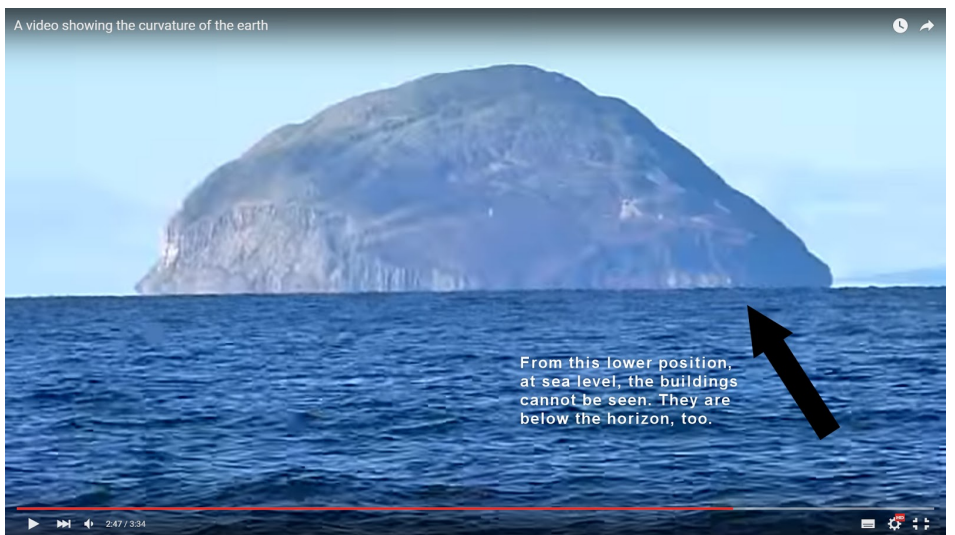

Here's some pics taken from a video of a sailboat moving away from someone taking pictures from shore over a period of time;

And here's another set of good ones of an offshore island, this first one is taken from the highway above the shore;

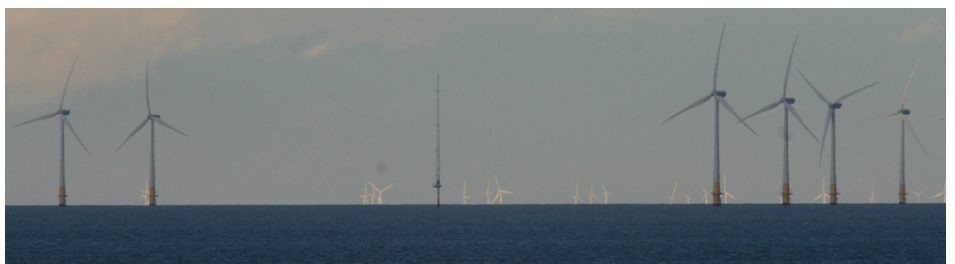

And this one from the shore itself;

And another of some large buildings disappearing off the coast of Spain;

This one of an off coast wind farm is great;

Anyway, I'd say that ought to pretty well stop this post from being trolled by "flat earth CIA spooks"!

1. David

January 24, 2020

Those are some great examples Barry! However . . . there is one single example that beats any other. That being the fact that we have night/day and different time zones DUE TO THE SUN MOVING BEHIND THE SPHERICAL HORIZON INSTEAD OF JUST GETTING SMALLER AND THEN FINALLY DISAPPEARING AS IT WOULD IF WE WERE ON A FLAT EARTH!!! That's it, a total KO for any stupid "flat earther". Which by the way, I'd bet good money that 99.9% of them are just stupid kike shills. So, there's always that to remember as well. Anyway, thanks for the comment and pics Barry. Peace

November 24, 2015

I've just finished reading the AAA newsletters, the GG intro and this. You guys have put together the most truth I've ever seen in one place. Actually, the most truth I've ever seen period. This will be very dangerous for TPTB, or I guess I should just get over it and call them what I now know they are, EVIL, LYING, KIKE PIECES OF SHIT. It's time to take out the trash!

3. Peggy Star

November 24, 2015

Good job Pat! It took us over a year to simply say/acknowledge what you just did over the course of an hours' worth of reading time. That tells me our efforts to condense and disseminate the truth about jewry is a success! THANK YOU!!!

Another BIG realization for us was what you read about in the 2nd AAA newsletter, that being controlled opposition. The reason I mention this? That graphic you just threw up promotes one of the top shills for the jews, David Icke is a kike! One of his main methods as a controller is to speak softly and calmly about the most sick, disgusting, perverted, murderous liars on earth so as not to upset you. He mixes a bunch of crazy crap with all of it and constantly talks about pedophilia, anal sex and etc. jewish perversions which actually promotes them! That and to never come up with a plan of action to do anything about the criminals is another common trick. Get it? They just want to placate everyone into silent submission.

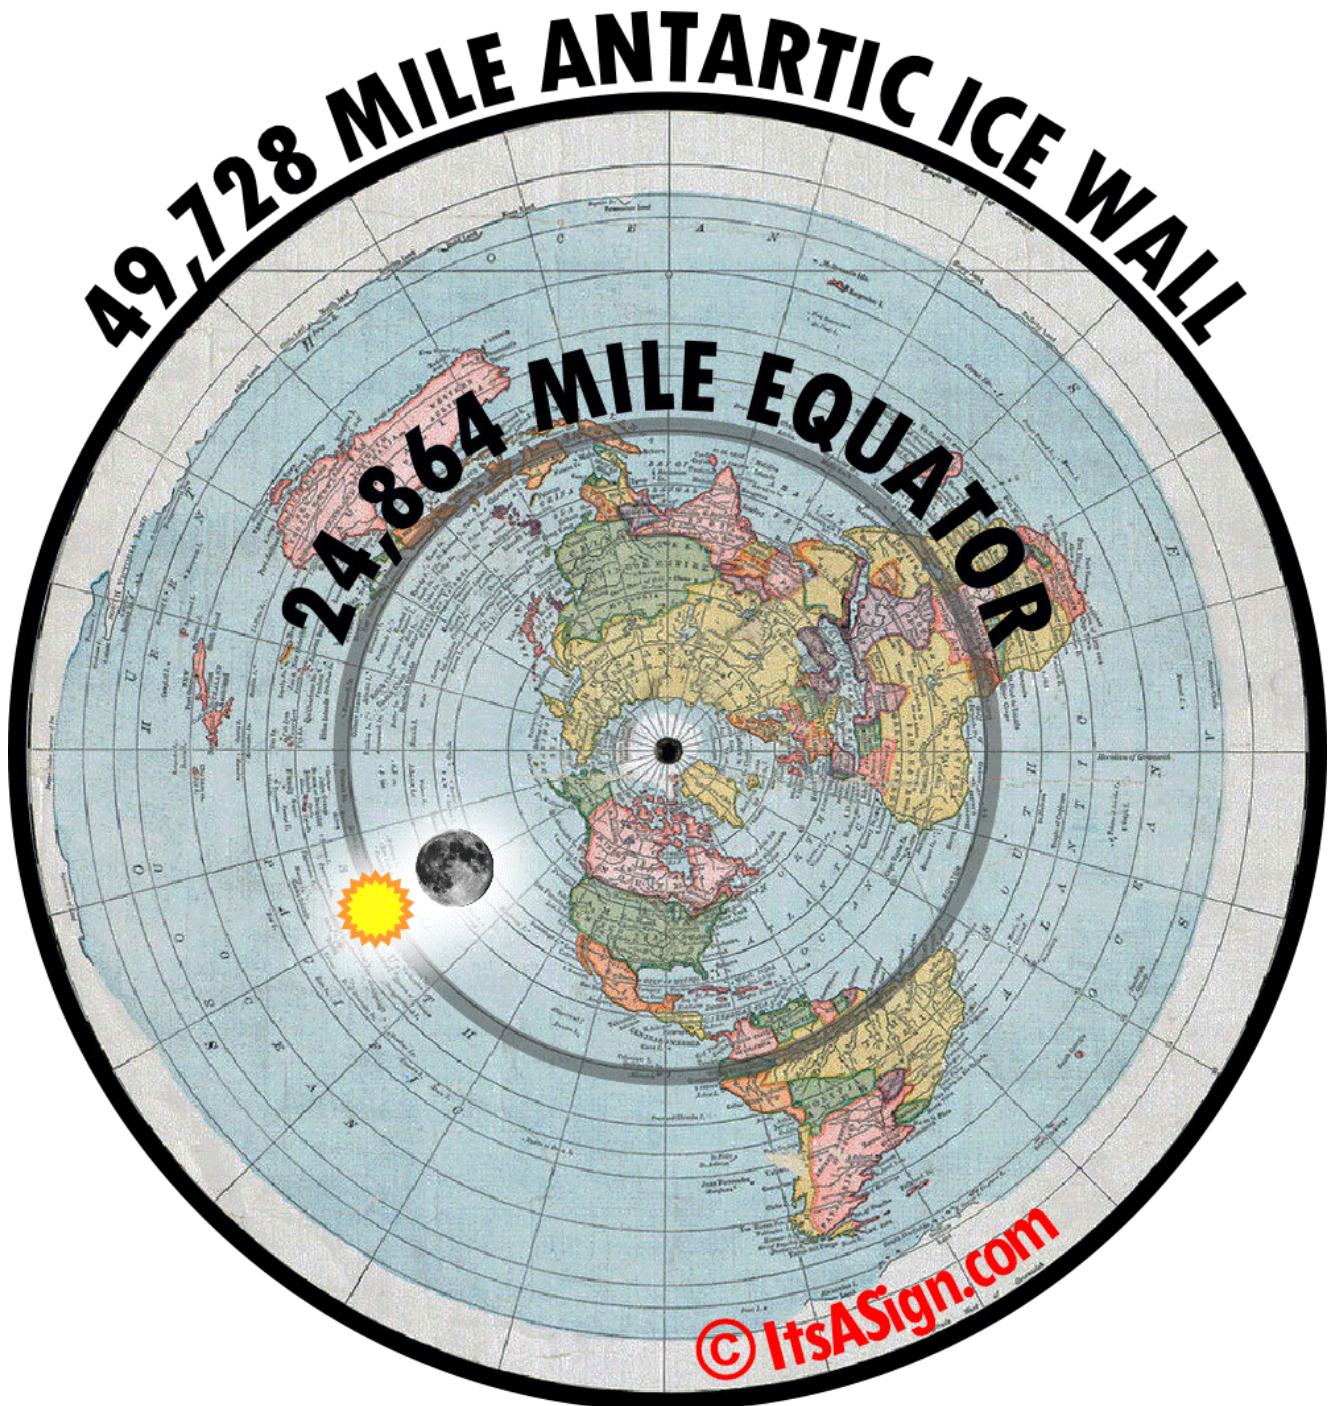

There's a simple rule to remember; if it's popular and sharable on THEIR internet, it's CONTROLLED OPPOSITION/PROPAGANDA! This part of the deception takes time to accept/remember as well but it's of equal import. So, anyway, keep up the good work and don't be deceived!!!

Here's some facts from our last issue, #119 that I'm sure you'll be reading soon.

1. David Allender

August 2, 2016

I'm hoping the time I spent preparing the graphics for this post will help YOU get a grip on what's assuredly quite closer to our realities regarding the sun, moon and how things actually work.

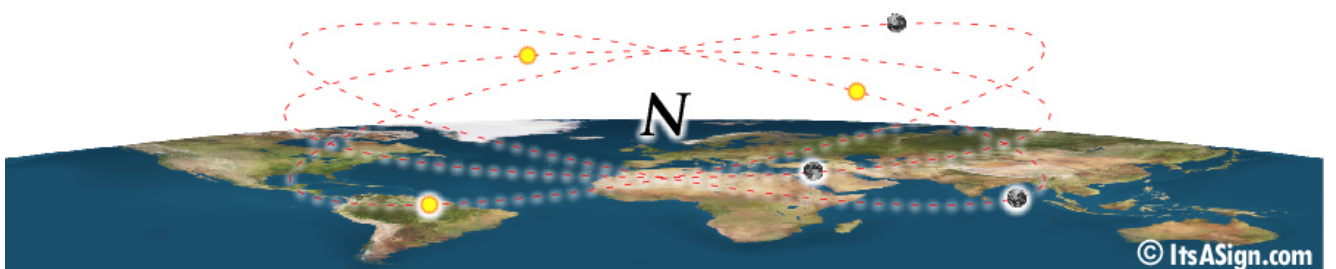

Perhaps that explains how mariners such as Captain Cook and Admiral Byrd went on incredible long journeys to circumnavigate the Antarctic which if it were as small as we've been told, would only have taken a matter of weeks and hundreds of miles instead of years and 10s of thousands of miles! It might also explain why Antarctica was made into a forbidden zone to EVERYONE by the lying kikes with a [UN International Treaty](#).

There's a lot of dot connecting and truthing going on here so, it seems like a good time to re-mention the vatican's telescope at Mt Graham in Arizona which they named LUCIFER, the father of lies!!! (*It's amazing we don't have to make any of this shit up eh?*)

A couple of very good reminders to constantly use (*multiple times/day!*) are that biblical satanism is based upon **MURDER, DECEPTION & OPPOSITES**. And that it's satanic jews who are behind all of this bullshit including all the propaganda created to cause **DIVISION, CONFUSION & FEAR** among We The People. So, don't fall for ANY of their shite!

And that most certainly includes the "Colossal Earth" along with the "Tiny Sun". Here is my take on how the tiny sun and the moon move above us, I think we'll find it to be a correct approximation of how things actually work. Basically, we're on the "top of the world" (*recall all the songs and sayings, and the difference between "the world" and "the earth"!*) which is spinning while the sun and moon "wobble" in their respective paths which causes the 4 seasons and changes in lengths of days/nights.

Like I said, it's just an approximation but I'd bet my shirt it's a hell of a lot closer (*infinitely*) to reality than us orbiting an **864,000** mile diameter star (*note the **86,400** seconds in a day*) that is 93 million miles away! And since I'm the man who's number is 666, I have to include this; We're told that our planet rotates at a 23.4 degree angle off it's axis. 23.4 from 90 degrees is 66.6! So, just like the fictitious 24,864 circumference of earth (24 hrs/day & 86,400 seconds/day) and the 864,000 diameter sun, they made that up too.

And perhaps that one combined with this next example of the common and popular time lapse shots of the northern sky by photographers will bring it home for you;

If someone tries telling you the directions of movement are different in the southern vs. northern hemispheres, you've just found a lying troll. Same thing with that cackly old jewish wives tale about the toilets flushing in different directions, it's all BS. The only reason any toilet flushes one direction or the other is solely due to the design of which way the water inlets point. And guess what, that old lie was made for the very purpose of brainwashing YOU about the size/shape of earth.

Next is another time lapse, this one from Warrumbungle National Park in Australia. It like that other one are BOTH pics of the stationary North Star Polaris which has been used by navigators EVERYWHERE forever because it indeed can be seen from ANYWHERE on earth which is just another absolute proof that the southern "hemisphere" is 100% bullshit!

One more, this time from Arizona. Note how the motion of the stars in all three of those pics from "around the world" are obviously each moving in the same direction.

Next we have multiple examples of blatant proof of where the sun is ACTUALLY located! Prove it to yourself by using the following pictures of the sun's rays coming from behind clouds just above us which prove beyond "a shadow of a doubt" that the sun is indeed much closer to earth than we've been lied/led to believe by our worthless leadership. INSTEAD OF CONTINUING THAT STATE OF DELUSION, JUST BELIEVE YOUR OWN EYES HERE!!! There's no strange phenomenon to explain away the obvious fact that the rays are emanating from a much closer and smaller sun than we've been brainwashed to believe. See for yourself!

Pretty conclusive huh? **BELIEVE YOUR OWN EYES, NOT PROPAGANDA FROM EVIL, WORTHLESS, LYING KIKES!**

4. **George C. Hamm**

November 27, 2015

This a very "heady" article. I would have to read it more than once before I would even attempt a noteworthy comment about this massive lie. I can say, that even before I discovered the GG I didn't like the jews or the vatican. I'm not so sure to what extent the GG is hindering their over-all goals but the more we fear and the more we anger, the more control they have over us. Being aware of "who" is throwing the punches and why is very important and standing up to them instead of hiding is also very important (thank you GG) and taking action is very important. Passivity won't cut it. However, if you don't want to be like them, before you act you must ask yourself the three greatest questions of all time, is it the truth, is it kind, and is it necessary. If your answers are yes,yes,yes **then act**, the end results will be very much "non-jewish".

1. **David Allender**

November 27, 2015

George, anger is in part what makes one a threat to evil, murderous, thieving, lying, kike criminals. You have to use the emotions God gave you to protect

yourself AND OTHERS from these worthless losers. So, grow a couple! Or not, you don't have to be a man to be righteous or courageous!

They'd love nothing more than to have everyone running around talking your kind of talk. That's why being a patsy isn't my cup of soup.

As to your "not being sure of the GG's extent in hindering their over-all goals", relatively few people have seen this yet, you just wait! That's why this site is being censored on every single major forum in existence. This is why you can't share links to our sites on Facebook, Twitter, etc? Let me help you figure the reason for all of this out, BECAUSE IT DOES AND WILL WORK AND THEY FEAR IT MORE THAN ANYTHING ELSE IN EXISTENCE! That said, it's the AAA that will provide the real action portion of our efforts. The GG is simply TRUTH.

And the "is it kind" part of your supposed "greatest questions of all time" can be misconstrued. Consider killing fleas, lice, ticks and etc. parasites from oneself or others. It's not kind to the parasites the same way justice and Gods' wrath won't be kind to the worthless jews.

Kindness is caring to do what's right, in this case we're protecting ourselves, animals, the earth and creation which requires inflicting punishment (i.e. justice) upon the opposition. As the song goes, "you gotta be cruel to be kind!"

I've searched deep in my soul over this one and realized early on there's nothing I could do to anyone that comes anywhere near what YHWH is going to do. You could kill a kike by torturing them with a hot poker while pissing on their faces for days on end but it would never match the heaviness of sending them to eternal hell.

So, I figure calling them out for being what they are and tossing them in jail by whatever means necessary isn't that weighty of an act. That's what I agreed to do, even if it means me seeing and/or carrying out some hellishly "unkind" shit made necessary by their resistance. It's up to them, everything was, and is. Everyone has a chance to repent, (stop) before they're judged.

1. Captain Ron

November 28, 2015

Exactly David! And George, I didn't see anything fear related in this issue of the GG which by the way, might be the best one yet David! This makes a ton of sense, it was an instant bell ringer for me. That said, I too intend to read it again, maybe a couple times. What a mindf*ck eh? But as for not being angry, that's a load of bullshit like no other. Anyone who's not angry after discovering just how evil our "leadership" is, is a complete and utter fool. All you have to do is reread the last paragraph to see that. And in my case, like millions of other servicemen and women, I unwittingly fought and KILLED for these worthless, lying kike fucks. They'll get zero submission, mercy or regrets from me. EXPECT NO MERCY.

2. Barry

November 28, 2015

Spot on as usual guys. Don't let George's comment or anyone else's like it screw with your head. That's just more programming done to make We The People "gentile" and I have to question George's motives. This isn't the time or place for talk of compassion or kindness, this is about action and justice. And for the record, I say to hell with the lot of them, furthermore, I could care less how they're sent there. Whether it's a bullet for resisting arrest, a noose or the chair, anyone who's part of all this murderous, lying bullshit can "kindly" go fuck themselves. (I think that's the first time I've ever cussed in a discussion!) At any rate, you won't see me second guessing or him hawing about this and anyone who does, is a jelly like, luke warm, fool.

1. Indian Princess

November 28, 2015

I agree and don't condone being weak or wishy washy when it comes to justice!!! And David, just to let you know, this one's got my head spinning again. Everytime I think we've gotten to the end of the rabbit hole, there's another cavern. But I think you're right about this one, this is THE biggy. The Big Issue is aptly named! It already makes tons and tons of sense to me. I'll bet this has something to do with where the top scum is planning on running to. Forget about underground bases and ghost cities, that's all BS huh?

1. David Allender

November 28, 2015

I don't think I'd go so far as to say the DUMBs (Deep Underground Military Bases) or ghost cities are BS but do agree with your line of thought. Top turds may very well intend on heading south while offering up said hideouts to the lower rungs. It doesn't matter though, there's no getting away from YHWH. The funny thing about this subject is we don't know for sure who knows and who doesn't. Me thinks the vast majority of deikens are clueless on this one, they've been played along with everyone else. The deceivers are indeed deceived, apparently to the worst extents by far. I wouldn't want to be one of them, that's for sure!

1. Barry

November 28, 2015

No sir, me neither! I can't even begin to imagine how horribly deceived these jews are. Just read a few quotes from their Talmud about how they approve of hating, manipulating, cheating, raping, deceiving, poisoning, and murdering completely innocent men, women and children. Jehova's made them into complete psychopaths!

And remember how they're taught to treat animals with their profiteering from factory farms and zoos (yes, zoos are 100% jewish

going back to ancient times) Also don't forget about their horrendously excruciating, inhumane and merciless "kosher" slaughters. Watch one of the vids where they spin a live cow upside down, cut it's throat and tear out its larynx so it can't even scream while they let it run around bleeding to death in a pool of other cows blood. It's all just sick, totally, totally sick.

So, I agree it's totally obvious, satan/jehova has done a real number on them, "G-ds' chosen ones", what a whopper!!! What kind of G-d would tell you to be evil, sick, twisted, cruel, murderous, deceitful, hateful, racists and bigots? Kinda obvious isn't it?

I like what you said about "the more lies you believe, the more lies you WILL believe" and I think you could also say "the larger lies you believe, the larger lies you WILL believe".

The jews are obviously the real fools in this world, for sure, I have zero doubt about that or where they're going.

5. Raymond Lund

November 28, 2015

Wow. I can't believe I believe all of this!!! There's no getting around it though (without a UFO!). Very, very good work here David but I can't help but wonder how you came across this? What kindled your interest to make you investigate it? I just googled "big earth", "colossal earth", "huge earth" etc. and came up with absolutely nothing relative. NOTHING. But here it is, I've read it 3 times and I know it's the real McCoy. Everything you've written around here is true isn't it? I think all the worthless, corrupt, evil leaders of our world are screwed now! This one's a game changer, you've done it and I'm all in!!!

Deadly indeed! I'm certain this is the one that's going to sink their ship. That's why you can't find an inkling of info about it on THEIR search engines.

As to how I came across it, there's a Pakistani kike named Shazwar Bugti who made a video I found about a year ago, he is now circulating flat earth bullshit along with another jewboy named Eric Dubay.

I wasn't 100% sure they were kikes but my radar was going off on them and especially the flat earth lie. I grew up near a 22 mile long lake called McConaughy in Nebraska and saw the horizon/curvature of earth. Peggy and I also did a lot of kayaking in and around the Puget Sound and in kayaks, you can really see it due to being so low to the water. Now we live at Lake Chelan which is 55 miles long and was very convenient for us to verify our sanity and easily debunk the flat earth lie by simply viewing the horizon and well known/used 8" per mile declination factor by looking uplake.

The rest came from YHWH via the ether, that image of the DDDR popped into my head along with a very strong urge to “think big” again. It’s another funny yet familiar coincidence that I coined the question “*how big can you think*” about a year ago, long before writing the Big Issue! This, like everything else in my life is all thanks to YHWH. All credit and glory goes to YHWH!!!

Here’s another map originally published by the Hawaii Gazette back in 1907, I’d say it’s worthy of serious contemplation;

Stranger almost than the "Manuscript found in a Copper Cylinder" is the copy of a map which came across seas to Honolulu from a Buddhist Temple in the mountains of central Japan. It is a map of the world made 1000 years ago. Dr. Kobayashi, the well-known Japanese physician and surgeon of Honolulu, has received a copy of the map, which he believes to have been made by Chinese priests ten centuries ago.

The map is drawn on the principle of the Mercator Projection showing the North Pole as the center of a circle in which are the continents of North and South America, Europe, Africa, Asia and Australia.

"The map was found by my brother in a Japanese temple in the mountains of Japan," said Dr. Kobayashi. "It has been hidden from the Japanese government in modern times just as it was in ancient times, for in olden days such a map would have been destroyed by the authorities. According to a letter the original map was brought from China by a Buddhist priest and concealed in this temple.

Here's that text for those using the translator; Stranger almost than the "Manuscript found in a Copper Cylinder" is the copy of a map which came across seas to Honolulu from a Buddhist Temple in the mountains of central Japan. Dr. Kobayashi, the well-known Japanese physician and surgeon of Honolulu, has received a copy of the map, which he believes to have been made by Chinese priests ten centuries ago.

For ten years he has remained there and used his will power to effect a cure. Today he is a well man. During his stay there he found this map. He evolved from it a theory of the flatness of the earth, despite all modern facts showing it to be a sphere. This theory has

been his one aim in life. He is an artist and in order to demonstrate his theory he made beautiful drawings, picturesque and attractive to the eye, in which mechanical, astronomical and engineering methods are shown.

“My brother goes back to the days of Columbus and Amerigo Vespucci who, he says, sailed for a new country believing that by sailing directly in one general direction they would ultimately come to the place.

“We moderns know that a vessel sailing from a port and going generally in a continually easterly manner will arrive at the same place. The vessel, of course, goes around the globe. My brother’s theory is that one sails about a vast plane as one would sail around the edges of a bowl.”

The illustrations accompanying the map are beautiful examples of Japanese art. No more attractive book of geography has ever been compiled. It is a mass of cherry blossoms, Fujiyamas, beautiful blue seas dotted with the sails of junks and sampans. There are landscapes and seascapes and bizarre pictures of Japanese women,

designed along old-time styles. But in every sheet of such pictures the engineering lines are brought out in a way that does not mar the picture. With the text matter explaining each page, the geography should be easily understood.

Dr. Kobayashi now has all the original sheets, scores of them, and these he will return to Japan to his brother, who intends to have them put in the hands of publishers. It will be one of the most novel publications of the period.

The original map of which a copy drawn by Dr. Kobayashi’s brother, and of which the accompanying cut is a tracing, is worm-eaten and barely holds together. The above map with all the continents and even the Hawaiian Islands shown, was evidently not made by the priests who traced the original lines.

This is the nail in the Jewish coffin alright.

I wish I could have started with this issue of the GG 5 years ago when I began doing my research on corruption and conspiracies.

It makes it impossible not to believe that quite literally “everything” is a lie and that the conspiracy is as real as apple pie.

And just to let you know, I sincerely appreciate all the connections to God used around here.

Thanks for these truths and everything you’re doing sister Peggy and brother Dave.

God bless!!!

November 30, 2015

whoa . . . this is some crazy ass shit but when you slow down to think about things it makes all the sense in the world. the jews truly are deceived puppets to their evil g-d!

1. **Sarah**

November 30, 2015

My brother died on the operating table for 5 minutes and experienced hell before he was taken to heaven by what he thinks was an angel. He said it felt like being tied up in a straight jacket while being tossed in a fire and screaming along with others. I've never seen fear in him other than when he talks about it, still has nightmares.

The thing here is jews are taught (and desperately need to believe) there is no afterlife and that everyone, good or evil goes to "sheol". If you ask me, that's another great deception being carried out upon them!

1. **Barry**

November 30, 2015

That makes sense Sarah but I don't think most jews truly believe there's no afterlife or hell. I've noticed that just the mention of it shuts them up in the various forums I've had "discussions" in.

Afterall, how can anyone who knows their superiors believe in the spirit world, conjure demons, use sex majick, perform exorcisms, blood sacrifices and etc. satanic/masonic practices straight out the Torah, not believe there's something to the idea of hell?

And why would top jews use THEIR media, entertainment industry and internet to popularize war, murder, rape, incest, faggotry, lesbianism, pedophilia, torture, deceit, theft, hate, racism, atheism, bigotry, infidelity, idolatry and etc. sins that YHWH and Yeshua clearly warned us we'd go to hell for?

What if all the masonic/satanic leaders tempt everyone else into sin by way of deception exactly like satan? What if they know hell is real and also know things like lying, usury, propaganda and etc. crap they use to oppress/enslave We The People aren't in the 10 commandments?!

All the while they have us, jews and non, breaking the 10 commandments in every manner conceivable!

Well, while that went a bit astray, I think it should be obvious to everyone, jews and non alike that hell is quite likely a very real and ominous danger. If it's anything like what your brother experienced, I definitely want to tread lightly and do my best in the here and now!

1. Truthout

November 30, 2015

Great conversation here. I bet hell is here on earth, maybe inside it. Who knows, but there's a lot of "space" and virtually endless possibilities to consider if we're on a 40 million mile wide planet inhabited and ran by highly advanced extra terrestrials!

Just consider where we'd be at technologically speaking in another 100 years. Then imagine where "others" would be after unknown millennia or eons! They could probably do just about anything including trapping the souls of those they don't approve.

Until recently, I've always believed Jesus (err, Yeshua) took care of all our sins but I'm with Barry, it's time to take this very seriously. If they'd lie to us about the size of earth (which I agree is obvious they have) they would most certainly lie to us about salvation.

1. David Allender

November 30, 2015

Sound thinking Truthout. Just to be clear, satanic elites HAVE lied to us (all of us, including the jews) about EVERYTHING including intentional mistranslations, omissions, inclusions and outright disinformation abound regarding the bible, God/s and especially our eternal futures.

1. Bob the Pastor

December 20, 2015

Any notions of hell not existing need to be dismissed by everyone immediately! Anyone who thinks there's a heaven but not a hell is certain to find out they're wrong because they're utterly and totally deceived!

Hell is the ENTIRE point behind respecting/fearing YHWH's judgement and following Yeshuas' examples on how to live by the commandments, love your neighbors, hate evil and NOT be deceived by the father of lies or his little jewish helpers! They are who lied to you about the size of earth and quite literally

EVERYTHING ELSE. Their lies never end and most certainly DO include any persuasions to get one to forget about hell!!!

Does anyone here really think “they” wouldn’t lie to everyone about the existence of hell after reading just this page? These people/things literally HATE you! Do you think they want you to go to heaven with YOUR father? Do you think they have your interests in mind in any regard, at all?

YHWHs final punishment for the unbelievers, the faithless, the immoral, the idolators, murderers and fornicators is described throughout Scripture as “eternal fire” (Matthew 25:41), “unquenchable fire” (Matthew 3:12), “shame and everlasting contempt” (Daniel 12:2), a place where “the fire is not quenched” (Mark 9:44-49), a place of “torment” and “fire” (Luke 16:23-24), “everlasting destruction” (2 Thessalonians 1:9), a place where “the smoke of torment rises forever and ever” (Revelation 14:10-11), and a “lake of burning sulfur” where the wicked are “tormented day and night forever and ever” (Revelation 20:10).

Keep this simple brethren; If you’re not afraid of going to hell, who is behind that lack of fear? There’s only one answer.

THINK ABOUT IT . . . WHY HAVE LEADERS OF CHURCHES, MEDIA AND GOVT LED EVERYONE TO BELIEVE HELL DOESN’T EXIST???

Come on people!!! It’s in your Bible and in your Quran! Why have “they” glossed over it?

Give all glory to God, find your peace and courage through faith in Him!

2. Drew

December 20, 2015

Indeed, also does the Holy Quran give much focus to hell! See for oneself;

Lo! Those who disbelieve Our revelations, We shall expose them to the Fire. 4:56

They will wish to come forth from the Fire, but they will not come forth from it. Theirs will be a lasting doom.

5:37

For them is drink of boiling water and a painful doom, because they disbelieved. 6:70

And the dwellers of the Fire cry out unto the dwellers of the Garden: Pour on us some water or some wherewith Allah hath provided you. They say: Lo! Allah hath forbidden both to disbelievers. 7:50

If thou couldst see how the angels receive those who disbelieve, smiting faces and their backs and (saying): Taste the punishment of burning! 8:50

On the day when it will (all) be heated in the fire of hell, and their foreheads and their flanks and their backs will be branded 9:35

Hell is before him, and he is made to drink a festering water, Which he sippeth but can hardly swallow, and death cometh unto him from every side while yet he cannot die, and before him is a harsh doom. 14:16-17

Thou wilt see the guilty on that day linked together in chains, Their raiment of pitch, and the Fire covering their faces. 14:49-50

We shall assemble them on the Day of Resurrection on their faces, blind, dumb and deaf; their habitation will be hell; whenever it abateth, We increase the flame for them. That is their reward because they disbelieved Our revelations. 17:97-98

Lo! We have prepared for disbelievers Fire. Its tent encloseth them. If they ask for showers, they will be showered with water like to molten lead which burneth the faces. Calamitous the drink and ill the resting-place! 18:29

The guilty behold the Fire and know that they are about to fall therein, and they find no way of escape thence. 18:53

If those who disbelieved but knew the time when they will not be able to drive off the fire from their faces and from their backs, and they will not be helped! 21:29

Behold them, staring wide (in terror), the eyes of those who disbelieve! 21:97

But as for those who disbelieve, garments of fire will be cut out for them; boiling fluid will be poured down on their heads, Whereby that which is in their bellies, and their skins too, will be melted; And for them are hooked rods of iron. Whenever, in their anguish, they would go forth from thence they are driven back therein and (it is said unto them): Taste the doom of burning. 22:19-22

The fire burneth their faces, and they are glum therein. 23:104

For those who deny (the coming of) the Hour We have prepared a flame. When it seeth them from afar, they hear the crackling and the roar thereof. And when they are flung into a narrow place thereof, chained together, they pray for destruction there. 25:11-13

It will be a hard day for disbelievers. On the day when the wrong-doer gnaweth his hands, he will say: Ah, would that I had chosen a way together with the messenger (of Allah)! 25:26-27

But as for those who disbelieve, for them is fire of hell; it taketh not complete effect upon them so that they can die, nor is its torment lightened for them. Thus We punish every ingrate. And they cry for help there, (saying): Our Lord! Release us; we will do right, not (the wrong) that we used to do. ... Now taste (the flavour of your deeds), for evil-doers have no helper. 35:36-37

Those in the Fire say unto the guards of hell: Entreat your Lord that He relieve us of a day of the torment ... although the prayer of disbelievers is in vain. 40:49-50

Those who deny the Scripture and that wherewith We send Our messengers. But they will come to know, When carcans are about their necks and chains. They are dragged Through boiling waters; then they are thrust into the Fire. 40:70-72

Lo! the tree of Zaqqum, The food of the sinner! Like molten brass, it seetheth in their bellies As the seething of boiling water. (And it will be said): Take him and drag him to the midst of hell, Then pour upon his head the torment of boiling water. 44:43-48

Those who are immortal in the Fire and are given boiling water to drink so that it teareth their bowels. 47:15

Then how (will it be with them) when the angels gather them, smiting their faces and their backs! 47:27

Peace to all!

Whoever lives looking forward to meeting Allah, will enjoy meeting Allah!

2. Peggy Star

December 23, 2015

The bible tells us repeatedly that until judgement day, when we die, we're done. So, we basically go into a state of limbo. Catholics call it Purgatory, the jews call it Sheol, the greeks called it Hades and there are many other names from various religions but it's a constant across the board.

Ecclesiastes 9:5; For the living know that they shall die: but the dead know not any thing.

Job 14:21; His sons come to honour, and he knoweth it not; and they are brought low, but he perceiveth it not of them.

Job 14:12-14; So man lieth down, and riseth not: till the heavens be no more, they shall not awake, nor be raised out of their sleep.

John 5:28-29; Marvel not at this: for the hour is coming, in the which all that are in the graves shall hear his voice, And shall come forth; they that have done good, unto the resurrection of life; and they that have done evil, unto the resurrection of damnation.

Daniel 12:2; And many of them that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt.

I think people like Sarahs' brother are given a peek at hell by angels, maybe even Christ. If you stop to think about it, this would be quite a nice reminder for them and those they tell their stories to. The same is true with stories about heaven.

1. Lori Stokes

January 6, 2016

Spot on Peggy! This is like a flood of dot connecting for me! According to the Bible, this is a better illustration of our home;

And that "underworld" depicted is, as you've stated what the jews call "sheol";

1. **Bob the Pastor**

January 6, 2016

Well, it's taken some time for me to get my head around this but now I'm ready to add a short something and it's going to go along perfectly with those illustrations from Lori! Connecting the dots we are!!!

I believe the idea of a "firmament" to be likely. It makes much sense in every regard, and then . . . THE BIBLE BACKS IT UP CONCLUSIVELY! Here we go, and we start right back at the beginning once again;

. . . and the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. And God said, Let there be light: and there was light"

Here's our firmament/sky;

Genesis 1:6 "And God said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters. And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so. And God called the firmament Heaven."

Amos 9:6 (NASB) The One who builds His upper chambers in the heavens and has founded His vaulted dome over the earth, He who calls for the waters of the sea And pours them out on the face of the earth, YHWH is His name"

Job 9:8 "Which alone spreadeth out the heavens, and treadeth upon the waves of the sea"

Isaiah 40:22 "It is he that sitteth upon the circle of the earth, and the inhabitants thereof are as grasshoppers; that stretcheth out the heavens as a curtain, and spreadeth them out as a tent to dwell in"

Job 37:18 "Hast thou with him spread out the sky, which is strong, and as a molten looking glass"

Psalms 19:1 "The heavens declare the glory of God; and the firmament sheweth his handywork"

Ezekiel 1:26 "And above the firmament that was over their heads was the likeness of a throne, as the appearance of a sapphire stone" (i.e. Blue Sky)

-This would explain why we cannot go to the moon or anywhere else beyond that firmament. And I believe the following speaks of how God used the firmament as a wall to enclose the earth circle while setting the Sun and Moon in motion above us;

Proverbs 8:27 (ESV) “When He established the heavens, I was there, When He inscribed a circle on the face of the deep”

Job 26:10 “He has inscribed a circle on the surface of the waters at the boundary of light and darkness”.

Job 26:10 “He hath compassed the waters with bounds, until the day and night come to an end”

Psalms 104:9 “Thou hast set a bound that they may not pass over”

And as to the question of earth spinning 1000 MPH at the equator while flying through space at 66,000 MPH in orbit around the sun which itself is supposedly careening about the galaxy at 450,000 MPH . . . quite likely this is just more BS!

1 Chronicles 16:30 “Fear before him, all the earth: the world also shall be stable, that it be not moved”

Psalms 93:1 “The Lord reigneth, he is clothed with majesty; the Lord is clothed with strength, wherewith he hath girded himself: the world also is established, that it cannot be moved”

Psalms 96:10 “the world also shall be established that it shall not be moved”

– The Sun wanders within a course between 2 lines which are known as the tropic of cancer and the tropic of capricorn, each located 23.5 degrees from the equator. Look how the thermal energies on earth are distributed and you’ll see why the northern (center) and southern (exterior) regions are cold, this would not happen on a ball 93 million of miles from a sun! The sun has to be much, much closer!

More regarding the sun and moon plus the stars . .

.

Genesis 1:14-18 “And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years: And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so. And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also. And God set them in the firmament of the heaven to give light upon the earth, and to rule over the day and over the night, and to divide the light from the darkness: and God saw that it was good”

“Bless the Lord, O my soul. O Lord my God . . . Who coverest thyself with light as with a garment: who stretchest out the heavens like a curtain; Who layeth the beams of his chambers in the waters: who maketh the clouds his chariot: who walketh upon the wings of the wind” Psalm 104

Give all glory to God, find your peace and courage through faith in Him!

1. David Allender

January 8, 2016

Thanks for the biblical interpretation Robert, excellent as usual! The idea of not being able to go beyond the firmament makes sense to me. I bet it would really piss you off if you were one of the top turds, or even Satan himself! No escape from YHWH! This would begin to further explain their hatred and contempt for God, creation and anyone (i.e. Gentiles) who have a shot at “being released”.

If you think about being a tiny minded jew who doesn't appreciate this beautiful place called Earth and the precious time we've been given here, you'll begin to understand their sickness. Basically, they are too dumb to be thankful, they're full of haughtiness, arrogance and false pride exactly like Satan was, so the story goes.

That's why they look at this verse from Luke 16:26 as a curse; “. . . *between us and you there is a great gulf fixed: so that they which would pass from hence to you cannot; neither can they pass to us, that would come from thence*”.

2. David Allender

January 17, 2016

Another way of rationalizing the “firmament” could simply be distance. Regardless of what’s actually in our upper atmosphere, since the earth is NOT tiny but instead an approximated 40,000,000 miles in diameter, escaping gravity requires a very, very long trip which in turn requires MEGA TONS OF FUEL FOR PROPULSION!

This is one obvious reason why we haven’t ever made it to outer space and why there’s no pictures/videos looking back at the colossal earth. Below is a graph of the “field of view” from some common camera lens sizes. When you realize we’d have to travel millions upon millions of miles (*not the 300 or 400 NASA claims*) just to get the earth into your viewfinder, you’ll understand!

I think if you stop to think about this little clue alone, you’ll begin regaining some serious ground!!!

Here’s some common camera lens specs;

I used a rather standard size of angle from a 35mm lens to show how you’d have to travel 26 MILLION MILES just to snap a pic of our planet! (*But even if NASA did, they’d just photoshop it by removing all of the area outside the southern “antartic ring”*)

Pretty simple. But then again, in reality, all of it is. The only struggle is in overcoming millions of incidents of satanic brainwashing performed by our worthless kike leaders! It’s THAT Simple!!!

The photo below is pics supposedly from two separate official nasa missions. The first one (the main, large one) portrays the dark side of the moon and was supposedly taken from a vessel that went beyond the moon itself. The second one (the overlay) is supposedly from another secondary craft taking a picture of the main craft from over the moon’s surface showing Earth as a tiny dot. Compare the sizes of earth. END OF STORY, CASE CLOSED.

Man, this hit's hard, right where I needed it. I feel like I've been sort of bumbling around with this "truthing" stuff until now, that idea that "everything is a lie" ain't no bullshit! And these evil fuckers really must hate us and God.

1. Riley

December 20, 2015

You said it, I think a lot of heads are going to get filled with lead soon. I know some jews who aren't going to go along with any of this crap too, no way. They'll fight right beside us when they learn about this one!

1. Captain Ron

December 20, 2015

Yep, it's time to string em up.

And since I'm here typing . . . Has anyone stopped to consider the fact that SPACE IS A VACUUM. THAT MEANS THERE'S NO MATTER TO PUSH AGAINST WITH PROPELLERS OR PROPULSION! IT'S JUST MORE RIDICULOUS MOCKING BULLSHIT FROM A BUNCH OF WORTHLESS, KONNIVING KIKES.

2. David Allender

December 20, 2015

Good one Ron! But just in case anyone thinks that picture is real, consider THE FACTS;

As you can see, the lower portion of anal canal itself is a short tube, encased between the (normally) matching pair of buttocks. There's a number of

problems here butt I think I'll just let the following diagram speak for itself;

Oh, and before I forget, I hope you're right about that Riley. If not, they're going down too and I sure wouldn't want to be one of the dumb kikes who don't get in line because I'm being told loud and clear that hell "ain't no bullshit" either!

Here's a quick little 4 1/2 minute vid that ought to seal the deal for some brainwashed doubters about one word . . . RADIATION.

There's no way we could have went all the way to the moon after passing through the earth's protective layers and getting exposed to all of the radiation out there. I researched this and within 10 minutes found multiple sources of obvious truths on this point alone. There's even videos of NASA engineers admitting we can't make it through the Van Allen Belt. (If such a thing even exists) But regardless, just the radiation from the sun without our protective blanket provided by the atmospheres would be enough to fry any living thing to death. Go ahead and have yourself a laugh at these ridiculous jerks at NASA;

Attention:

If you are viewing this website offline from our GG Data DVD, please go to the **"2. Film Archive"** folder to watch videos.

[videojs mp4="http://www.numberu.com/video/RadiationFinal.mp4"

That was worth watching huh? That hebrew word "Nasha" reminds me of another word I learned some years ago which was "shekinah". It means "In the presence of God" or "In Gods' Glory". The question you might want to ask next is, what god would be honored with Bush's famous term for holocausting (*horrifically burning alive*) 1,000s of completely innocent men, women and children with the devastating Iraq bombing operation "Shock 'n' Awe" ("shekinah");

Here's a few more of the most telling pieces of evidence regarding this ridiculous pile of lies from the retched, stinking film of jew filth currently in control of our world. (*But thanks to this particular massive truth, NOT FOR MUCH LONGER! "THIS" Truth, Shall Make You Free!!!*) In this pic from NASA we see what is very obviously a support arm holding up the top of the flag;

Next from NASA we see reflections of a cameraman on the shield of the astronaut;

Below is a pic of the supposed landing during actual touchdown on what astronauts said was a talcum like powdery surface. So, where's all the dust and/or exhaust from the engines that would have to have been running at the time??? That and of course the repeated failure to include stars on the hollywood set because it would be too hard for their little jew brains to contrive and keep up with their correct locations;

This next one just further confirms that last one in the fact that zero "talcum powder" was displaced during the landing. No crater = another lying jew hater. (ie; YOU)

And there's lots and lots of examples like this last one which clearly shows multiple shadow directions from what can only be multiple sources of stage lighting. (There's only one sun)

Anyone who thinks they haven't been played by the evil forces in our world, needs to think again! RE-take your ground, RE-gain your sanity and RE-buke your boastful pride!

Just happened to stumble across this music video, you tell me if it's not PERFECT! (Thank you YHWH!)

After 4 months of chewing, this issue of the GG is by far the most challenging to digest. I advise everyone to simply accept the FACT we've been lied to about earth and EVERYTHING else. Just remember what we're here to do, this is all about removing the liars from power and securing our futures in the here and now, as well as eternally.

For now, please FOCUS on helping us change the world. Sign up at [Unidigi](#), chime in with your ideas and opinions, vote with the UPick ballot/s, exchange some currency at OutBank, help your friends and family awaken, support something good "for a change". The rabbit hole will still be there

when you're done! BUT IF YOU ARE STILL HAVING A HARD TIME BELIEVING ALL OF THIS, STOP NOW AND READ DAVID'S LAST ISSUE OF [THE GG #119](#) AND THE COMMENTS THERE. That will do it!

I have to say, the flat earth theory is much easier for me to digest and migrate into your colossal earth FACT. I do believe there are other areas as well, that we are not allowed to know about as regular citizens, but there is quite a lot of evidence to support the colossal earth concept. Everything ties together. We have had nothing but lies our entire lives until this point. God Bless.

I agree 100% Peggy! And for those who don't know the basics about Goyim or jews, you may want to spend 5 minutes at "[The End of Conspiracy Theories](#)" (It's our old Home/Introduction Page)
